Exchange Offers and Consent Solicitations

As previously disclosed, Urban One, Inc. (the “Company”) conducted (i) an offer to exchange (the “Exchange Offer”) any and all outstanding 7.375% Senior Secured Notes due 2022 (the “Existing Notes”) for new 8.75% Senior Secured Notes due 2022 (the “New Notes”) to be issued by the Company and (ii) a related consent solicitation for consents (the “Consent Solicitation” and together with the Exchange Offer, the “Exchange Offer and Consent Solicitation”) to adopt certain amendments to the indenture governing the Existing Notes, dated April 15, 2017, by and between the Company, the guarantors party thereto and Wilmington Trust, National Association, as trustee (in such capacity, the “Existing Notes Trustee”) and as notes collateral agent (in such capacity, the “Existing Notes Collateral Agent”), as amended (the “Existing Notes Indenture”), to eliminate substantially all of the restrictive covenants and certain of the default provisions contained in the Existing Notes Indenture, and to enter into a new intercreditor agreement among the Company, the trustee for the New Notes, the trustee for the Existing Notes, the collateral agent for the New Notes and the collateral agent for the Existing Notes (collectively, the “Amendments”).

Pursuant to the Exchange Offer and Consent Solicitation, as of 11:59 pm New York City time, on October 30, 2020, the aggregate principal amount of the Existing Notes set forth in the table below were validly tendered and subsequently accepted, representing approximately 99.15% of the Old Notes. Such accepted Existing Notes will be retired and canceled and will not be reissued. Following such cancellation, the aggregate principal amounts of the Existing Notes set forth below will remain outstanding.

<u>Title of Series of Existing Notes</u>	<u>Issuer</u>	<u>Aggregate Principal Amount Tendered and Accepted</u>	<u>Aggregate Principal Amount Outstanding Following Settlement</u>
7.375% Senior Notes due 2022	Urban One, Inc.	\$ 347,016,000	\$ 2,984,000

Prior to the settlement of the Exchange Offer and Consent Solicitation and upon receipt of the requisite consents to adopt the Amendments with respect to the Existing Notes, the supplemental indenture and intercreditor agreement were executed to effect the Amendments. The Amendments became operative upon the settlement date, November 9, 2020.

In connection with the settlement of the Exchange Offer and Consent Solicitation, on November 9, 2020, the Company issued \$347,016,000 aggregate principal amount of the New Notes.

The New Notes are governed by an indenture, dated November 9, 2020 (the “New Notes Indenture”), by and between the Company, the guarantors therein (the “Guarantors”) and Wilmington Trust, National Association, as trustee (in such capacity, the “New Notes Trustee”) and as notes collateral agent (in such capacity, “the New Notes Collateral Agent”).

Interest and Maturity

Interest on the New Notes will accrue at the rate per annum equal to 8.75% and will be payable, in cash, quarterly on January 15, April 15, July 15 and October 15 of each year, commencing on January 15, 2021, to holders of record on the immediately preceding January 1, April 1, July 1 and October 1, respectively.

Ranking and Security

The New Notes are the Company’s general senior obligations and are guaranteed (the “Guarantees”) by the Guarantors. The New Notes and the Guarantees will: (i) rank equal in right of payment to all of the Company’s and the Guarantor’s existing and future senior indebtedness, (ii) be secured on a first-priority basis by the Notes Priority Collateral (as defined below) and on a second-priority basis by the ABL Priority Collateral (defined below) owned by the Company and the applicable Guarantor, in each case subject to certain liens permitted under the New Notes Indenture, (iii) be equal in priority to the collateral owned by the Company and the Guarantor with respect to obligations under the credit agreement, dated as of April 18, 2017, by and among the Company, various lenders therein and Guggenheim Securities Credit Partners, LLC, as administrative agent and any other Parity Lien Debt (as described in the New Notes Indenture), if an, incurred after the date the New Notes were issued, (iv) rank senior in right of payment to any existing or future subordinated indebtedness of the Company or Guarantors, (v) be initially guaranteed on a senior basis by each of the Company’s wholly-owned domestic subsidiaries (other than certain immaterial subsidiaries, unrestricted subsidiaries, and other certain exceptions), (vi) be effectively senior to all of the Company’s and the Guarantor’s existing and future unsecured indebtedness to the extent of the value of the collateral owned by the Company or applicable Guarantors and effectively senior to all existing and future ABL Debt Obligations (as defined in the New Notes Indenture) to the extent of the value of the Notes Priority Collateral (as defined below) owned by the Company or applicable Guarantor, (vii) be effectively subordinated to all of the Company’s and the Guarantor’s existing and future indebtedness that is secured by liens on assets that do not secure the Notes or the Guarantee to the extent of the value of such assets, (viii) be structurally subordinated to all of the Company’s and the Guarantor’s existing and future indebtedness and other claims and liabilities, including preferred stock, of subsidiaries of the Company that are not guarantors, and (ix) be effectively senior to any Existing Notes that remain outstanding after the Exchange Offer with respect to any collateral proceeds.

The New Notes and the guarantees will be secured, subject to permitted liens and except for certain excluded assets (i) on a first priority basis by substantially all of the Company's and the Guarantors' current and future property and assets (other than accounts receivable, cash, deposit accounts, other bank accounts, securities accounts, inventory and related assets that secure our asset-backed revolving credit facility on a first priority basis (the "ABL Priority Collateral"), including the capital stock of each Guarantor (which, in the case of foreign subsidiaries, is limited to 65% of the voting stock and 100% of the non-voting stock of each first-tier foreign subsidiary) (collectively, the "Notes Priority Collateral") and (ii) on a second priority basis by the ABL Priority Collateral.

Intercreditor Arrangements

In connection with the Exchange Offer, the New Notes will be subject to a new intercreditor agreement, pursuant to which proceeds received by the Existing Notes Trustee with respect to collateral proceeds received by the Old Notes Trustee for the Old Notes under an existing parity lien intercreditor agreement will be paid over to the New Notes Trustee for the New Notes to the extent of the amounts owed to the holders of the New Notes then outstanding. For the avoidance of doubt, any Existing Notes outstanding after the Exchange Offer will not constitute subordinated indebtedness.

Optional Redemption

The Company may redeem the New Notes in whole or in part, at its option, upon not less than 30 nor more than 60 days' prior notice at a redemption price equal to 100% of the principal amount of such New Notes plus accrued and unpaid interest, if any, to the redemption date.

Mandatory Redemption

Within 90 days following the completion of the Exchange Offer, the Company will be required to repurchase, repay or redeem \$15 million aggregate principal amount of the New Notes. Separately, within five business days after each Excess Cash Flow Calculation Date (as defined in the New Notes Indenture), the Company will redeem an aggregate principal amount of New Notes equal to 50% of the Excess Cash Flow (as defined in the New Notes Indenture), provided that repurchases, repayments or redemption of New Notes with internally generated funds during the applicable calculation period shall reduce on a dollar-for-dollar basis the amount of such redemption otherwise required on the applicable calculation date. Any such mandatory redemptions will be at par (plus accrued and unpaid interest).

Restrictive Covenants

The terms of the New Notes Indenture, among other things, limit, in certain circumstances, the ability of the Company and its Restricted Subsidiaries (as defined in the New Notes Indenture) to: incur additional indebtedness; pay dividends or make other distributions or redeem or repurchase capital stock; prepay, redeem or repurchase certain junior, unsecured or subordinated debt; make loans and investments; sell assets; incur liens; enter into transactions with affiliates; alter the business the Company conducts; enter into agreements restricting the Company's subsidiaries' ability to pay dividends; and consolidate, merge or sell all or substantially all of the Company's assets. If the New Notes achieve investment grade status by both Standard & Poor's Rating Services and Moody's Investors Service, Inc. and no default has occurred and is continuing, certain of the covenants under the New Notes Indenture will be suspended. If either rating on the New Notes should subsequently decline to below investment grade, the suspended covenants will be reinstated.

Change of Control

Upon the occurrence of certain events constituting a change of control as defined in the New Notes Indenture, the Company will be required to make an offer to repurchase all of the notes at a price equal to 101% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the repurchase date, subject to the rights of holders of the New Notes on record on the relevant record date to receive interest due on the relevant interest payment date.

Events of Default

The New Notes Indenture provides for customary events of default including (subject in certain cases to customary grace and cure periods), among others: nonpayment of principal or interest; failure to comply with the excess cash flow redemption covenant or certain provisions of the sinking fund covenant; breach of other agreements in the New Notes Indenture; certain defaults under any mortgage, indenture or instrument under which indebtedness is or may be issued; certain events of bankruptcy or insolvency; a failure by the Company or a Significant Subsidiary (as defined in the New Notes Indenture) to pay certain final judgments aggregating in excess of \$15.0 million; the Guarantee ceasing to be in full force and effect; and with respect to collateral constituting more than \$10.0 million individually or in the aggregate, any of the security documents relating to the exchange offer ceases to be in full force and effect. Generally, if an event of default occurs and is not cured within the time periods specified, the New Notes Trustee or the holders of at least 25% in principal amount of the then outstanding New Notes may declare all the New Notes to be due and payable immediately.

The foregoing summary of the New Notes does not purport to be complete and is qualified in its entirety by reference to the full text of (i) the New Notes Indenture attached as Exhibit 4.1 hereto, (ii) the form of the New Notes attached as Exhibit 4.2 hereto, and (iii) the new intercreditor agreement attached as Exhibit 4.3 hereto.

“ABL Credit Facility” means the asset based revolving credit facility under the ABL Credit Agreement, in each case, as amended, restated, modified, renewed, refunded, replaced, restructured, refinanced, repaid, increased or extended in whole or in part from time to time and in each case including all agreements, instruments and documents executed and delivered pursuant to or in connection with the foregoing (including any notes issued pursuant thereto and any Guarantee and collateral agreement, patent and trademark security agreement, mortgages or letter of credit applications and other Guarantees, pledges, agreements, security agreements and collateral documents). - (E) if such beneficial interest is being transferred to an IAI in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (D) above, a certificate to the effect set forth in Exhibit B hereto, including the certifications, certificates and Opinion of Counsel required by item (3) thereof, if applicable;
- (F) if such beneficial interest is being transferred to the Company or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof; or

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(g) hereof, and the Company shall execute and the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. (2) *Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes.* A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if the Registrar receives the following:

- (A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(b) thereof; or

and, in each such case, if the Company so requests, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

- (3) *Beneficial Interests in Unrestricted Global Notes to Unrestricted Definitive Notes.* If any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon satisfaction of the conditions set forth in Section 2.06(b)(2) hereof, the Trustee will cause the aggregate principal amount of the applicable Unrestricted Global Note to be reduced accordingly pursuant to Section 2.06(g) hereof, and the Company will execute and the Trustee will authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(3) will be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest requests through instructions to the Registrar from or through the Depositary and the Participant or Indirect Participant. The Trustee will deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(3) will not bear the Private Placement Legend.

(d) *Transfer and Exchange of Definitive Notes for Beneficial Interests.*

- (1) *Restricted Definitive Notes to Beneficial Interests in Restricted Global Notes.* If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

- (A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (2)(b) thereof;
- (B) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;
- (C) if such Restricted Definitive Note is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof;
- (D) if such Restricted Definitive Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof;
- (E) if such Restricted Definitive Note is being transferred to an IAI in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (D) above, a certificate to the effect set forth in Exhibit B hereto, including the certifications, certificates and Opinion of Counsel required by item (3) thereof, if applicable;

and, in each such case, if the Company so requests, an Opinion of Counsel in form reasonably acceptable to the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this Section 2.06(d)(2), the Trustee will cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

- (3) *Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes.* A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee will cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected at a time when an Unrestricted Global Note has not yet been issued, the Company will issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee will authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar will register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder must provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e).

(1) *Restricted Definitive Notes to Restricted Definitive Notes.* Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to Rule 144A, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(C) if the transfer will be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications, certificates and Opinion of Counsel required by item (3) thereof, if applicable.

(2) *Restricted Definitive Notes to Unrestricted Definitive Notes.* Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted Definitive Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Note if the Registrar receives the following:

(3) *Unrestricted Definitive Notes to Unrestricted Definitive Notes.* A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(g) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Company will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar’s request.

(2) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.09, 4.10, 4.15 and 9.05 hereof).

(3) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Company will be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

- (6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.
- (7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.
- (8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.
- (9) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depository. Neither the Company, the Trustee nor any Agent shall have any responsibility or obligation to any Beneficial Owner in a Global Note, a Participant, an Indirect Participant or other Person with respect to the accuracy of the records of the Depository or its nominee or of any Participant, with respect to any ownership interest in the Notes or with respect to the delivery to any Participant, Indirect Participant, Beneficial Owner or other Person (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. The rights of Beneficial Owners in a Global Note shall be exercised only through the Depository, subject to the Applicable Procedures. The Company, the Trustee, and any Agent shall be entitled to rely and shall be fully protected in relying upon information furnished by the Depository with respect to their members, participants and any Beneficial Owners. The Company, the Trustee and the Agents shall be entitled to deal with the Depository, and any nominee thereof, that is the registered Holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest, and the giving of instructions or directions by or to the owner or Holder of a Beneficial Ownership interest in such Global Note) as the sole Holder of such Global Note and shall have no obligations to the Beneficial Owners thereof.

Section 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

Every replacement Note is an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; however, Notes held by the Company or any of its Restricted Subsidiaries shall not be deemed to be outstanding for purposes of Section 3.07 hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09

Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded.

Section 2.10

Temporary Notes.

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11

Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy canceled Notes (subject to the record retention requirements of the Exchange Act and the Trustee). Certification of the destruction of all canceled Notes will be delivered to the Company upon its request therefor. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12

Defaulted Interest.

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

ARTICLE 3
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed at any time, the Trustee (or Registrar if other than the Trustee) will select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which the Notes are listed, as certified in writing to the Trustee by the Company, and in compliance with the requirements of DTC, or if the Notes are not so listed or such exchange prescribes no method of selection and the Notes are not held through DTC or DTC prescribes no method of selection, on a *pro rata* basis; *provided, however*, that no Note of \$2,000 in aggregate principal amount or less shall be redeemed in part.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed, in which case a portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. In the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice (including any conditions contained therein), Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, unless the Company defaults in the payment of the redemption price, interest ceases to accrue on Notes or portions of them called for redemption.

The Trustee will promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in minimum denominations of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Subject to the provisions of Section 3.09 hereof, notices of redemption will be delivered by the Company electronically or mailed by first class mail at least 30 but not more than 60 days before the redemption date to each Holder to be redeemed at the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, except that redemption notices may be delivered electronically or mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 12 hereof.

The notice will identify the Notes to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and
- (9) whether the redemption is conditioned on any events and what such conditions are.

At the Company's request, the Trustee will give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the Trustee, at least 45 days prior to the redemption date, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Any redemption and notice of redemption may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, consummation of any related Equity Offering. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price, subject to the satisfaction of any condition set forth in the notice of redemption.

Prior to the redemption or purchase date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

- (a) The Company may redeem the Notes in whole or in part, at its option, upon not less than 30 nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount of such Notes plus accrued and unpaid interest, if any, to the redemption date.
- (b) If the optional redemption date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest will be paid to the Person in whose name the Note is registered at the close of business on such record date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Company.
- (c) Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.
- (d) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *Mandatory Redemption.*

- (a) Except as set forth in clauses (b) and (c) below, the Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.
- (b) Within 90 days after the Issue Date the Company will repurchase or repay (pursuant to a tender offer but not through open market purchases) or redeem \$15.0 million aggregate principal amount of the Notes at a purchase price or redemption price equal to 100% of the principal amount of such Notes plus accrued and unpaid interest, if any, to the expiration date of the tender offer or the redemption date, as applicable; provided that (i) the delivery of an irrevocable notice of redemption and (ii) the Company depositing or causing to be deposited with the Trustee, money or U.S. Government Obligations, or a combination thereof, as applicable, the principal and interest on which will be sufficient to pay and discharge such Notes, for principal, premium, if any, and interest to the redemption date, in each case, prior to the expiration of such 90 day period shall constitute a redemption of the aggregate principal amount of notes specified in such notice for the purposes of this sentence.
- (c) Within 5 business days after each Excess Cash Flow Calculation Date, the Company shall (i) issue an irrevocable notice of redemption to redeem an aggregate principal amount of notes equal to 50% of the Excess Cash Flow for the related Excess Cash Flow Calculation Period (each such redemption a "*Mandatory Excess Cash Flow Redemption*") and (ii) deposit or cause to be deposited with the Trustee, money or U.S. Government Obligations, or a combination thereof, as applicable, the principal and interest on which will be sufficient to pay and discharge such Notes, for principal, premium, if any, and interest to the redemption date; provided that repurchases, repayments or redemption of Notes with internally generated funds during the applicable Excess Cash Flow Calculation Period shall reduce on a dollar-for-dollar basis the amount of such Mandatory Excess Cash Flow Redemption otherwise required on the applicable Excess Cash Flow Calculation Date. Any Mandatory Excess Cash Flow Redemption shall be at a redemption price equal to 100% of the principal amount of such Notes plus accrued and unpaid interest, if any, to the redemption date, and the redemption date for each Mandatory Excess Cash Flow Redemption shall be the 30th day (or, if such day is not a Business Day, the next succeeding Business Day) after the date the related notice of redemption is delivered electronically or mailed by first class mail. For the avoidance of doubt, the term Excess Cash Flow shall be read, defined, construed and applied in a manner at all times consistent as such term is read, defined, construed and applied in the Unsecured Term Loan Agreement as in effect as of the Issue Date.

In the event that, pursuant to Section 4.10 hereof, the Company is required to commence an offer to all Holders to purchase Notes (an “*Asset Disposition Offer*”), it will follow the procedures specified below.

The Asset Disposition Offer shall be made to all Holders and, to the extent the Company elects, to all holders of other outstanding Pari Passu Indebtedness to purchase, prepay or redeem with the proceeds of sales of assets. The Asset Disposition Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the “*Offer Period*”). No later than three Business Days after the termination of the Offer Period (the “*Purchase Date*”), the Company will apply all Excess Proceeds (the “*Offer Amount*”) to the purchase of Notes and such other Pari Passu Indebtedness (on a *pro rata* basis based on the principal amount of Notes and such other Pari Passu Indebtedness surrendered, if applicable) or, if less than the Offer Amount has been tendered, all Notes and other Pari Passu Indebtedness tendered in response to the Asset Disposition Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Disposition Offer.

Upon the commencement of an Asset Disposition Offer, the Company will send, electronically or by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Disposition Offer. The notice, which will govern the terms of the Asset Disposition Offer, will state:

- (1) that the Asset Disposition Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Disposition Offer will remain open;
- (2) the Offer Amount, the purchase price and the Purchase Date;
- (3) that any Note not tendered or accepted for payment will continue to accrue interest;
- (4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Disposition Offer will cease to accrue interest after the Purchase Date;
- (5) that Holders electing to have a Note purchased pursuant to an Asset Disposition Offer may elect to have Notes purchased in minimum denominations of \$2,000 or an integral multiple of \$1,000 in excess thereof;
- (6) that Holders electing to have Notes purchased pursuant to any Asset Disposition Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Company, a Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;
- (7) that Holders will be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter (or otherwise in compliance with the Depositary's procedures) setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;
- (8) that, if the aggregate principal amount of Notes and other Pari Passu Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Company will select the Notes and other Pari Passu Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such other Pari Passu Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Company so that only Notes in minimum denominations of \$2,000, or an integral multiple of \$1,000 in excess thereof, will be purchased); and
- (9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Disposition Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.09. The Company, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company will publicly announce the results of the Asset Disposition Offer on the Purchase Date.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

ARTICLE 4 COVENANTS

Section 4.01 *Payment of Notes.*

Principal of, and premium, if any, and interest on the Notes will be payable at the office or agency of the Company maintained for such purpose or, at the option of the paying agent, payment of interest may be made by check mailed to the Holders of the Notes at their respective addresses set forth in the register of Holders provided that all payments of principal, premium, if any, interest with respect to Notes represented by one or more global notes registered in the name of or held by DTC or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof.

The Company will pay or cause to be paid the principal of, premium on, if any, and interest, if any, on, the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest, if any, will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due.

The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Section 4.02 *Maintenance of Office or Agency.*

The Company will maintain in the United States, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 hereof; provided that no office of the Trustee shall be an office or agency of the Company for the purposes of effective service of legal process against the Company.

Section 4.03 *Reports.*

- (a) Whether or not the Company is subject to Sections 13(a) or 15(d) of the Exchange Act, so long as any Notes remain outstanding, the Company shall file with the SEC (subject to the next sentence) the annual reports, quarterly reports and other documents which the Company would have been required to file with the SEC pursuant to such Sections 13(a) or 15(d) if the Company were so subject (the "*Required Reports*"), such documents to be filed with the SEC no later than 15 days after the respective dates by which the Company would have been required to file such documents if the Company were so subject (including any extension as would be permitted by Rule 12b-25 under the Exchange Act, the "*Required Filing Dates*"); *provided* that any audited financial statements contained in such reports shall be reported on by an independent public accounting firm of recognized national standing. If at any time the Company is not subject to Sections 13(a) or 15(d) of the Exchange Act for any reason, the Company shall nevertheless continue to file the Required Reports with the SEC by no later than 15 days after the applicable Required Filing Date unless the SEC will not accept such a filing. The Company agrees that it shall not take any action for the purpose of causing the SEC not to accept any such filings. If notwithstanding the foregoing, the SEC shall not accept the filing of a Required Report for any reason, the Company shall post the Required Report on its website no later than 15 days after the applicable Required Filing Date and such Required Report shall be publicly available.
- (b) Unless the Company is otherwise obligated to do so under the Exchange Act, the Required Reports will not be required to (i) comply with Section 302 or Section 404 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC, or Items 301 or 302 of Regulation S-K or Item 10(e) of Regulation S-K (with respect to any non-GAAP financial measures contained therein), in each case, as in effect on the Issue Date, or (ii) contain the separate financial information for Guarantors contemplated by Rule 3-09 or Rule 3-10 of Regulation S-X promulgated by the SEC (or any similar successor provision), including the financial information of Reach Media, Inc. and its subsidiaries, if any; provided that the Required Reports will contain customary summary financial information with respect to guarantor and non-guarantor subsidiaries to the extent that a non-guarantor subsidiary ceases to be an Immaterial Subsidiary.
- (c) The Company shall also in any event (1) on the earlier of (a) 15 days after each Required Filing Date and (b) the 105th day after the end of each fiscal year, with respect to annual reports, or the 60th day after the end of each of the first three fiscal quarters of each fiscal year, with respect to quarterly reports, file with the Trustee, copies of the Required Reports and (2) if the SEC will not accept the filing of Required Reports by the Company, promptly upon written request, supply copies of such documents to any Holder at the Company's cost.

Notwithstanding the foregoing, for purposes of this clause (c), the Company shall be deemed to have furnished such Required Reports to the Holders and the Trustee if:

(1) the Company has filed such reports with the SEC via the SEC's Electronic Data Gathering, Analysis, and Retrieval Filing System (EDGAR) and such reports are publicly available; or

(2) the Company is not subject to Sections 13(a) or 15(d) of the Exchange Act, and the SEC will not accept Required Reports for filing, and it has posted such Required Reports on its website and such Required Reports are publicly available.

(d) Notwithstanding any of the foregoing, if the Company designates any of its Subsidiaries as Unrestricted Subsidiaries at any time following the Issue Date that, individually or in the aggregate, with any other Subsidiary designated by the Company as an Unrestricted Subsidiary at any time after the Issue Date, would constitute a Significant Subsidiary, then the Company's quarterly and annual financial information required by clauses (a), (b) and (c) of this Section 4.03 will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of such Unrestricted Subsidiaries of the Company.

(e) The Company shall make available to any prospective purchaser of Notes or beneficial owner of Notes in connection with any sale of Notes the information required by Rule 144A(d)(4) under the Securities Act so long as such Notes are not freely transferable under the Securities Act.

(f) It is understood that the Trustee shall have no obligation whatsoever to determine whether or not such information, documents or reports have been posted on the Company's website or filed with the SEC. The posting or delivery of any such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of the covenants under this Indenture (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate).

Section 4.04 *Compliance Certificate.*

(a) The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year, an Officer's Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Company and its Subsidiaries, as applicable, have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and are not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto).

(b) So long as any of the Notes are outstanding, the Company will deliver to the Trustee, within 30 days after the occurrence thereof, an Officer's Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

The Company will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06

Stay, Extension and Usury Laws.

The Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07

Limitations on Restricted Payments.

- (a) The Company will not, and will not permit any of its Restricted Subsidiaries, directly or indirectly, to:
- (1) declare or pay any dividend or make any distribution on or in respect of the Company's or any Restricted Subsidiary's Capital Stock (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) except:

- (12) so long as no Default or Event of Default has occurred and is continuing (or would result from), Restricted Payments (including loans or advances) in an aggregate amount outstanding at the time made not to exceed \$25.0 million; and
- (13) the repayment of up to \$10 million of principal amount of obligations under the Unsecured Term Loan Agreement.

The two preceding paragraphs and the definition of Permitted Investments notwithstanding, the Company will not and will not permit any of its Restricted Subsidiaries, directly or indirectly to: (1) except (a) pursuant to clause (7) of the immediately preceding paragraph or (b) dividends or distributions payable by a Restricted Subsidiary to holders of its Capital Stock a pro rata basis, declare or pay any cash dividends or make any cash distribution on in respect of the Company's or any Restricted Subsidiaries' Capital Stock; (2) repurchase for cash any of the Company's Capital Stock or any Restricted Subsidiaries' Capital Stock except (a) repurchases of Capital Stock (other than Disqualified Stock) of the Company or its Subsidiaries held by any future, present or former employee, director or consultant of the Company or any of its Subsidiaries (or permitted transferees, assigns, estates, trusts or heirs of such employee, director or consultant) either pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or upon the termination of such employee, director or consultant's employment or directorship and (b) pursuant to clauses (6) or (9) of the immediately preceding paragraph or (3) make any Investment in or Restricted Payment to any Unrestricted Subsidiary or Joint Venture.

(c) For purposes of determining compliance with this Section 4.07, in the event that a Restricted Payment meets the criteria of more than one of the categories of Permitted Payments described in clauses (1) through (12) above, or is permitted pursuant to Section 4.07(a), the Company will be entitled to classify such Restricted Payment (or portion thereof) on the date of its payment or later reclassify such Restricted Payment (or portion thereof) in any manner that complies with this Section 4.07.

(d) The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of such Restricted Payment of the asset(s) or securities proposed to be paid, transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The fair market value of any cash Restricted Payment shall be their face amount, and the fair market value of any non-cash Restricted Payment, property or assets other than cash shall be determined conclusively by the Board of Directors of the Company acting in good faith.

Section 4.08 *Limitation on Restrictions on Distributions from Restricted Subsidiaries.*

(a) The Company will not, and will not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (1) pay dividends or make any other distributions in cash or otherwise on its Capital Stock or pay any Indebtedness or other obligations owed to the Company or any Restricted Subsidiary;
- (2) make any loans or advances to the Company or any Restricted Subsidiary; or
- (3) sell, lease or transfer any of its property or assets to the Company or any Restricted Subsidiary;

(b) *provided* that (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill requirements to) loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness Incurred by the Company or any Restricted Subsidiary shall not be deemed to constitute such an encumbrance or restriction.

(c) The provisions of Section 4.08(a) hereof will not prohibit:

- (1) any encumbrance or restriction pursuant to (a) any Credit Facility (including the Credit Agreement and any ABL Credit Facility) or (b) any other agreement or instrument, in each case, in effect at or entered into on the Issue Date (or otherwise required as of the Issue Date);
- (2) this Indenture, the Security Documents, the Notes and the Note Guarantees;
- (3) encumbrances or restrictions arising or existing by reason of applicable law or any applicable rule, regulation or order, or required by any regulatory authority;
- (4) any encumbrance or restriction pursuant to an agreement or instrument of a Person or relating to any Capital Stock or Indebtedness of a Person, entered into on or before the date on which such Person was acquired by or merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary, or was designated as a Restricted Subsidiary or on which such agreement or instrument is assumed by the Company or any Restricted Subsidiary in connection with an acquisition of assets (other than Capital Stock or Indebtedness Incurred as consideration in, or to provide all or any portion of the funds utilized to consummate, the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was acquired by the Company or was merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary or entered into in contemplation of or in connection with such transaction) and outstanding on such date; provided that, for the purposes of this clause, if another Person is the Successor Company, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed by the Company or any Restricted Subsidiary when such Person becomes the Successor Company;

- (5) any encumbrance or restriction:
- (A) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract or agreement, or the assignment or transfer of any lease, license or other contract or agreement;
 - (B) contained in mortgages, pledges, charges or other security agreements permitted under this Indenture or securing Indebtedness of the Company or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer or encumbrance of the property or assets subject to such mortgages, pledges, charges or other security agreements; or
 - (C) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary;
- (6) any encumbrance or restriction pursuant to Purchase Money Obligations and Capitalized Lease Obligations permitted under this Indenture, in each case, that impose encumbrances or restrictions on the property so acquired;
- (7) any encumbrance or restriction imposed pursuant to an agreement entered into for the direct or indirect sale or disposition to a Person of all or substantially all the Capital Stock or assets of the Company or any Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;
- (8) customary provisions in leases, licenses, joint venture agreements and other similar agreements and instruments;
- (9) any encumbrance or restriction on cash or other deposits or net worth imposed by customers under agreements entered into in the ordinary course of business;
- (10) any encumbrance or restriction pursuant to Hedging Obligations;
- (11) any encumbrance or restriction arising pursuant to an agreement or instrument relating to any Indebtedness permitted to be Incurred subsequent to the Issue Date pursuant to the provisions of Section 4.09 hereof if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than the encumbrances and restrictions contained in the Credit Agreements, together with the security documentation associated therewith as in effect on the Issue Date;
- (12) any encumbrance or restriction existing by reason of any lien permitted by Section 4.12 hereof; or
- (13) any encumbrance or restriction pursuant to an agreement or instrument effecting a refinancing of Indebtedness Incurred pursuant to, or that otherwise extends, renews, restates, replaces, restructures or refinances, an agreement or instrument referred to in clauses (1) to (12) of this Section 4.08(b) or this clause (13) (an “*Initial Agreement*”) or contained in any amendment, supplement, extension, renewal, restatement, replacement, restructuring or other modification to an agreement referred to in clauses (1) to (12) of this Section 4.08(b) or this clause (13); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are no less favorable in any material respect to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Company).
- (d) For purposes of determining compliance with this Section 4.08, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions on Capital Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Company or a Restricted Subsidiary of the Company of other Indebtedness Incurred by the Company or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

Section 4.09 *Limitation on Indebtedness.*

- (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, Incur any Indebtedness (including Acquired Indebtedness); *provided, however*, that, the Company and any of its Guarantors may Incur Indebtedness (including Acquired Indebtedness) if on the date of such Incurrence and after giving pro forma effect thereto (including pro forma application of the proceeds thereof), the Leverage Ratio for the Company and its Restricted Subsidiaries is no greater than 7.00 to 1.00.
- (b) The provisions of Section 4.09(a) hereof will not prohibit the Incurrence of the following Indebtedness (“*Permitted Indebtedness*”):

- (1) Indebtedness Incurred pursuant to any Credit Facility (including letters of credit or bankers' acceptances issued or created under any Credit Facility), and any Refinancing Indebtedness in respect thereof and Guarantees in respect of such Indebtedness in a maximum aggregate principal amount at any time outstanding not exceeding (i) \$318.50 million, plus (ii) in the case of any refinancing of any Indebtedness permitted under this clause or any portion thereof, the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses Incurred in connection with such refinancing;

- (3) Guarantees by the Company or any Restricted Subsidiary of Indebtedness of the Company or any Guarantor so long as the Incurrence of such Indebtedness is permitted under the terms of this Indenture;

(4) Indebtedness of the Company owing to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owing to and held by the Company or any Restricted Subsidiary; *provided, however*, that:

- (A) if the Company or any Guarantor is the obligor on such Indebtedness and the payee is not the Company or a Guarantor, such Indebtedness must be unsecured and expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Notes, in the case of the Company, or the Note Guarantee, in the case of a Guarantor;
- (B) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being beneficially held by a Person other than the Company or a Restricted Subsidiary of the Company; and
- (C) any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary of the Company,

shall be deemed, in each case, to constitute an Incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be;

(5) Indebtedness represented by (a) the Notes (other than any Additional Notes), including any Note Guarantee thereof, (b) the 7.375% Notes outstanding on the Issue Date and any Guarantee thereof, (c) Indebtedness outstanding under the Unsecured Term Loan on the Issue Date, (d) Refinancing Indebtedness Incurred by the Company or any Restricted Subsidiary in respect of any Indebtedness described in this clause (5) or clauses (6), (7), (11) or (15) of this Section 4.09(b) or Incurred pursuant to Section 4.09(a) hereof, and (e) Management Advances;

(6) [RESERVED];

(7) Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes);

(8) Indebtedness incurred by the Company or any Restricted Subsidiary represented by Capitalized Lease Obligations or Purchase Money Obligations in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause and then outstanding and any Refinancing Indebtedness in respect thereof, does not exceed \$15.0 million;

(9) Indebtedness in respect of (a) workers' compensation claims, self-insurance obligations, performance, indemnity, surety, judgment, appeal, advance payment, customs, value added or other tax or other guarantees or other similar bonds, instruments or obligations and completion guarantees and warranties provided by the Company or a Restricted Subsidiary or relating to liabilities, obligations or guarantees Incurred in the ordinary course of business, (b) the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within five Business Days of Incurrence; (c) customer deposits and advance payments received in the ordinary course of business from customers for goods or services purchased in the ordinary course of business; and (d) letters of credit, bankers' acceptances, guarantees or other similar instruments or obligations issued or relating to liabilities or obligations Incurred in the ordinary course of business;

(10) Indebtedness arising from agreements providing for guarantees, indemnification, obligations in respect of earn-outs or other adjustments of purchase price or, in each case, similar obligations, in each case, Incurred or assumed in connection with the acquisition or disposition of any business or assets or Person or any Capital Stock of a Subsidiary (other than Guarantees of Indebtedness Incurred by any Person acquiring or disposing of such business or assets or such Subsidiary for the purpose of financing such acquisition or disposition); *provided* that the maximum liability of the Company and its Restricted Subsidiaries in respect of all such Indebtedness in connection with a disposition shall at no time exceed the gross proceeds, including the fair market value of non-cash proceeds (measured at the time received and without giving effect to any subsequent changes in value), actually received by the Company and its Restricted Subsidiaries in connection with such disposition;

(11) Indebtedness of the Company or any Guarantor, together with any Refinancing Indebtedness in respect thereof, \$20.0 million at any time outstanding, it being understood that any Indebtedness incurred or issued pursuant to this clause (11) shall cease to be deemed incurred or outstanding for purposes of this clause (11) but shall be deemed incurred pursuant to 4.09(a) hereof from and after the first date on which the Company or such Restricted Subsidiary could have incurred such Indebtedness under Section 4.09(a) without reliance on this clause (11);

(12) Indebtedness consisting of promissory notes issued by the Company or any of its Subsidiaries to any current or former employee, director or consultant of the Company or any of its Subsidiaries (or permitted transferees, assigns, estates, or heirs of such employee, director or consultant), to finance the purchase or redemption of Capital Stock of the Company or any of its Subsidiaries that is permitted by Section 4.07 hereof;

(13) Indebtedness of the Company or any of its Restricted Subsidiaries consisting of (i) the financing of insurance premiums or (ii) take-or-pay obligations contained in supply arrangements, in each case, Incurred in the ordinary course of business;

- (14) Indebtedness of the Company or any Restricted Subsidiary to the extent the proceeds of such Indebtedness are deposited and used to defease or satisfy and discharge the Notes pursuant to Articles 8 or 12 hereof, as applicable; and
- (15) Indebtedness of the Company or any Guarantor in an aggregate outstanding principal amount which, when taken together with any Refinancing Indebtedness in respect thereof and the principal amount of all other Indebtedness Incurred pursuant to this clause and then outstanding, will not exceed \$20.0 million.
- (c) The preceding paragraph notwithstanding, except for (a) Indebtedness that is secured by a Lien pursuant to clause (14) of the definition of Permitted Liens, (b) Indebtedness pursuant to Section 4.09(b)(1), (c) Indebtedness pursuant to Section 4.09(b)(2) with respect to the ABL Collateral, (d) Indebtedness described in Section 4.09(b)(5)(a) or Section 4.09(b)(5)(b), (e) Indebtedness incurred pursuant to Section 4.09(b)(9), (f) Indebtedness incurred pursuant to Section 4.09(b)(14) and (g) Refinancing Indebtedness of any of the foregoing, the Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, incur any Indebtedness pursuant to Section 4.09(a) and Section 4.09(b) that is (i) secured by a Lien on the Collateral that is senior to or *pari passu* with the Lien on the Collateral securing the Notes or (ii) Indebtedness of a Non-Guarantor Subsidiary.
- (d) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with this Section 4.09:
- (1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Section 4.09(a) or (b) hereof, the Company, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and only be required to include the amount and type of such Indebtedness in one of the clauses of Section 4.09(b) or Section 4.09(a) hereof, *provided, however*, any Indebtedness outstanding immediately prior to the Issue Date which at such time is classified as having been Incurred under one of the clauses of Section 4.09(b) hereof cannot be on or after the Issue Date classified as Indebtedness under Section 4.09(a) hereof;
- (2) additionally, all or any portion of any item of Indebtedness may later be classified as having been Incurred pursuant to any type of Indebtedness described in Section 4.09(a) or Section 4.09(b) hereof so long as such Indebtedness is permitted to be Incurred pursuant to such provision at the time of reclassification, *provided, however*, any Indebtedness outstanding immediately prior to the Issue Date which at such time is classified as having been Incurred under one of the clauses of Section 4.09(b) hereof cannot be on or after the Issue Date classified as Indebtedness under Section 4.09(a) hereof;
- (3) all Indebtedness outstanding on the Issue Date under the Credit Agreement shall be deemed to be Incurred on the Issue Date under clause (1) of the Section 4.09(b) and may not later be reclassified;
- (4) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;
- (5) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to clause (1), (8) or (11) of Section 4.09(b) or Section 4.09(a) hereof and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;
- (6) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof; and
- (7) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of GAAP.
- (e) The Company will not incur, and will not permit any Guarantor to incur, any Indebtedness (including Permitted Indebtedness) that is contractually subordinated in right of payment to any other Indebtedness of the Company or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Company or such Guarantor solely by virtue of being unsecured or by virtue of being secured on a junior priority basis.
- (f) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.09 and Section 4.12 hereof. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount of the Indebtedness, or liquidation preference thereof, in the case of any other Indebtedness.

(g) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary of the Company as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.09, the Company shall be in default of this Section 4.09).

(h) Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may Incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

- (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:
- (1) the Company or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by the Board of Directors of the Company, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap);
 - (2) in any such Asset Disposition, or series of related Asset Dispositions (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents;
 - (3) the fair market value of the shares or assets subject to such Asset Disposition, or series of related transactions constituting such Asset Disposition, excluding any shares or assets subject to an Asset Disposition that is a Permitted Asset Swap, does not exceed \$37.5 million; and
 - (4) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company or such Restricted Subsidiary, as the case may be, at its option, to permanently reduce:
 - (A) Obligations constituting Parity Lien Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto); provided that (x) to the extent that the terms of Parity Lien Obligations (other than Obligations under the Notes) require that such Parity Lien Obligations be repaid with the Net Proceeds of Asset Dispositions prior to repayment of other Indebtedness (including the Notes), the Company and its Restricted Subsidiaries shall be entitled to repay such other Parity Lien Obligations prior to repaying the Obligations under the Notes and (y) except as provided in the foregoing clause (x), if the Company or any Restricted Subsidiary shall so reduce Parity Lien Obligations, the Company will equally and ratably reduce Obligations under the Notes as provided in Section 3.07 hereof through open-market purchases (provided that such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth herein for an Asset Disposition Offer) to all Holders to purchase their Notes at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest on the principal amount of Notes so purchased;
 - (B) Obligations ranking pari passu with the Notes other than Parity Lien Obligations so long as the relevant Net Proceeds are received with respect to non-Collateral; *provided* that if the Company or any Restricted Subsidiary shall so reduce any such pari passu Obligations, the Company will equally and ratably reduce Obligations under the Notes in any manner set forth in clause (a) above; or
 - (C) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Company or another Restricted Subsidiary; or
 - (D) to the extent the Company or such Restricted Subsidiary elects, to invest in or commit to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; *provided, however*, that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day; *provided, further, however*, that the Additional Assets (including Capital Stock) acquired with the Net Available Cash of a disposition of Collateral are pledged as Collateral to the extent required under the Security Documents (except to the extent the Lien thereon is released by the lenders under the Credit Agreement);

provided that, pending the final application of any such Net Available Cash, the Company and its Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise use such Net Available Cash in any manner not prohibited by this Indenture.

- (b) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in Section 4.10(a) will be deemed to constitute "Excess Proceeds" hereunder. On the 366th day after an Asset Disposition, if the aggregate amount of Excess Proceeds hereunder exceeds \$10.0 million, the Company will within 30 Business Days be required to make an Asset Disposition Offer to all Holders of Notes issued under this Indenture and, to the extent required by the terms of any Pari Passu Indebtedness, to all holders of other outstanding Pari Passu Indebtedness, to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes in an amount equal to 100% of the principal amount of the Notes and Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with the procedures set forth in Section 3.09 hereof or the agreements governing the Pari Passu Indebtedness, as applicable, and, with respect to the Notes, in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. The Company may satisfy its obligation to make an Asset Disposition Offer with respect to any Net Available Cash of any Asset Disposition by making an Asset Disposition Offer with respect to such Net Available Cash prior to the expiration of the 365-day period.

- (c) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for any purpose not prohibited by this Indenture. If the aggregate principal amount of the Notes surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a pro rata basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness, provided that no Notes or other Pari Passu Indebtedness will be selected and purchased in an unauthorized denomination. Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.
- (d) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than U.S. dollars, the amount thereof payable in respect of the Notes shall not exceed the net amount of funds in U.S. dollars that is actually received by the Company upon converting such portion into U.S. dollars.
- (e) For the purposes of Section 4.10(a)(2) hereof, the following will be deemed to be cash:
- (1) the assumption by the transferee of Indebtedness or other liabilities of the Company or a Restricted Subsidiary (other than Subordinated Indebtedness of the Company or a Guarantor) and the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness or other liability in connection with such Asset Disposition;
 - (2) securities, notes or other obligations received by the Company or any Restricted Subsidiary of the Company from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;
 - (3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

- (4) consideration consisting of Indebtedness of the Company (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Company or any Restricted Subsidiary; and
- (5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 4.10 that is at that time outstanding, not to exceed the greater of (a) \$25.0 million and (b) 2.50% of Total Assets (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).
- (f) The Company will comply to the extent applicable with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to this Section 4.10. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Section 3.09 hereof or this Section 4.10, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 3.09 hereof or this Section 4.10 by virtue of such compliance.

Section 4.11 *Limitation on Affiliate Transactions.*

- (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an "*Affiliate Transaction*") involving aggregate value in excess of \$2.0 million unless:
- (1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm's length dealings with a Person who is not such an Affiliate; and
- (2) the Company delivers to the Trustee:
- (A) with respect to any Affiliate Transaction or series of Affiliate Transactions involving an aggregate value in excess of \$10.0 million, an Officer's Certificate stating that the terms of such transaction have been approved by a majority of the members of the Board of Directors of the Company; and
- (B) with respect to any Affiliate Transaction or series of Affiliate Transactions involving an aggregate value in excess of \$20.0 million, a written opinion of an Independent Financial Advisor that such Affiliate Transaction or series of Affiliate Transactions is not less favorable to the Company and its Restricted Subsidiaries than could reasonably be expected to be obtained at the time in an arm's length transaction with a person that is not an Affiliate.

Any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in clause (2) of this Section 4.11(a) if such Affiliate Transaction is approved by a majority of the Disinterested Directors, if any.

- (b) The provisions of Section 4.11(a) will not apply to:
- (1) any Restricted Payment permitted to be made pursuant to Section 4.07 hereof or any Permitted Investment;
- (2) any issuance or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, or amendments or modifications to, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation arrangements, options, warrants or other rights to purchase Capital Stock of the Company, any Restricted Subsidiary or any Parent Company, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants' plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors or consultants approved by the Board of Directors of the Company, in each case in the ordinary course of business;
- (3) any Management Advances and any waiver or transaction with respect thereto;
- (4) any transaction between or among the Company and any Restricted Subsidiary (or an entity that becomes a Restricted Subsidiary as a result of such transaction), or between or among Restricted Subsidiaries;
- (5) the payment of compensation, reasonable fees and reimbursement of expenses to, and customary indemnities (including under customary insurance policies) and employee benefit and pension expenses provided on behalf of, directors, officers, consultants or employees of the Company or any Restricted Subsidiary of the Company (whether directly or indirectly and including through any Person owned or controlled by any of such directors, officers or employees);

- (6) the entry into and performance of obligations of the Company or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Issue Date, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time in accordance with the other terms of this Section 4.11 or to the extent not more disadvantageous to the Holders in any material respect;
- (7) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business, which are fair to the Company or the relevant Restricted Subsidiary in the reasonable determination of the Board of Directors or the senior management of the Company or the relevant Restricted Subsidiary, or are on terms no less favorable than those that could reasonably have been obtained at such time from an unaffiliated party;
- (8) any transaction between or among the Company or any Restricted Subsidiary and any Affiliate of the Company or similar entity that would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary owns an equity interest in or otherwise controls such Affiliate or similar entity;
- (9) issuances or sales of Capital Stock (other than Disqualified Stock) of the Company or options, warrants or other rights to acquire such Capital Stock and the granting of registration and other customary rights in connection therewith or any contribution to capital of the Company or any Restricted Subsidiary;
- (10) transactions in which the Company or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (1) of Section 4.11(a);

- (11) the existence of, or the performance by the Company or any Restricted Subsidiary of its obligations under the terms of, any equityholders agreement (including any registration rights agreement or purchase agreements related thereto) to which it is party as of the Issue Date and any similar agreement that it may enter into thereafter; *provided, however*, that the existence of, or the performance by the Company or any Restricted Subsidiary of its obligations under any future amendment to the equityholders' agreement or under any similar agreement entered into after the Issue Date will only be permitted under this clause to the extent that the terms of any such amendment or new agreement are not otherwise disadvantageous to the Holders in any material respects; and
- (12) any purchases by the Company's Affiliates of Indebtedness or Disqualified Stock of the Company or any of its Restricted Subsidiaries the majority of which Indebtedness or Disqualified Stock is purchased by Persons who are not the Company's Affiliates; provided that such purchases by the Company's Affiliates are on the same terms as such purchases by such Persons who are not the Company's Affiliate.

Section 4.12 *Limitation on Liens.*

The Company will not, and will not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures Obligations under any Indebtedness or any related Guarantee of Indebtedness, on any asset or property of the Company or any Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom.

Section 4.13 *Business Activities.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than a Permitted Business, except to such extent as would not be material to the Company and its Restricted Subsidiaries taken as a whole.

Section 4.14 *Corporate Existence.*

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

- (1) its corporate existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Subsidiary; and
- (2) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

Section 4.15 *Offer to Repurchase Upon Change of Control.*

- (a) Upon the occurrence of a Change of Control, unless the Company has previously or concurrently delivered a redemption notice (that may only be conditional upon the occurrence of such Change of Control) with respect to all the outstanding Notes as set forth under Section 3.07 hereof, the Company will make an offer to purchase all of the Notes (the "*Change of Control Offer*") at a price in cash (the "*Change of Control Payment*") equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to but excluding the date of repurchase, subject to the right of Holders of the Notes of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will deliver notice of such Change of Control Offer electronically or by first-class mail, with a copy to the Trustee, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, describing the transaction or transactions that constitute the Change of Control and stating:

- (1) that the Change of Control Offer is being made pursuant to this Section 4.15 and that all Notes tendered will be accepted for payment;
- (2) the purchase price and the purchase date, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the "*Change of Control Payment Date*");
- (3) that any Note not tendered will continue to accrue interest;
- (4) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date;
- (5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-

entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

- (6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and

- (7) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act, as applicable, and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with this Section 4.15, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.15 by virtue thereof.

- (b) On the Change of Control Payment Date, the Company will, to the extent lawful:
- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
 - (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
 - (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent will promptly mail (but in any case not later than five days after the Change of Control Payment Date) to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

Prior to complying with any of the provisions of this Section 4.15, but in any event within 90 days following a Change of Control, the Company will either repay all outstanding Senior Indebtedness or obtain the requisite consents, if any, under all agreements governing outstanding Senior Indebtedness to permit the repurchase of Notes required by this Section 4.15.

- (c) Notwithstanding anything to the contrary in this Section 4.15, the Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.15 and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, (2) notice of redemption has been given pursuant to Section 3.07 hereof and, in the event that such redemption is subject to one or more conditions precedent, such conditions have been satisfied or waived or (3) in the event that, upon the consummation of such Change of Control, the Company defeases or discharges the Notes as provided for under Articles 8 or 12 hereof, as applicable.
- (d) Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.
- (e) If holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not withdrawn by such holders, the Company or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption.

Section 4.16 *[Reserved].*

Section 4.17 *Additional Note Guarantees.*

The Company is obligated to cause (a) each Subsidiary that becomes a Wholly Owned Restricted Subsidiary after the Issue Date (other than a Restricted Subsidiary that constitutes an Immaterial Subsidiary or a Foreign Subsidiary guaranteeing solely Indebtedness of another Foreign Subsidiary) which Subsidiary guarantees Indebtedness under the Credit Agreement, the ABL Credit Agreement, any 7.375% Notes outstanding on the Issue Date, any additional Parity Lien Obligations, other syndicated bank indebtedness or capital markets debt securities of the Company or any of its Restricted Subsidiaries and (b) any Foreign Subsidiary that guarantees Indebtedness of the Company or any Guarantor to guarantee the Notes and the Company's other obligations under this Indenture by executing a supplemental indenture to provide a Note Guarantee within 30 business days after the date its obligation to guarantee the Notes and the Company's other obligations under this Indenture arises. The form of such supplemental indenture is attached as Exhibit F hereto.

The Company may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor.

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate fair market value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 hereof or under one or more clauses of the definition of Permitted Investments, as determined by the Company. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a resolution of the Board of Directors of the Company giving effect to such designation and an Officer's Certificate certifying that such designation complies with the preceding conditions and was permitted by Section 4.07 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be Incurred by a Restricted Subsidiary of the Company as of such date and, if such Indebtedness is not permitted to be Incurred as of such date under Section 4.09 hereof, the Company will be in default of Section 4.09 hereof.

The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Company; provided that such designation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4.09 hereof, calculated on a pro forma basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation. Any such designation by the Board of Directors of the Company shall be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors of the Company giving effect to such designation and an Officer's Certificate certifying that such designation complies with the preceding conditions.

Section 4.19

Suspension of Covenants on Achievement of Investment Grade Status.

- (a) Following the first day:
- (1) the Notes have achieved Investment Grade Status; and
 - (2) no Default or Event of Default has occurred and is continuing under this Indenture,

then, beginning on that day and continuing until the Reversion Date (as defined below), the Company and its Restricted Subsidiaries will not be subject to the following provisions (collectively, the "*Suspended Covenants*"):

- (i) Section 4.07;
- (ii) Section 4.08;
- (iii) Section 4.09;
- (iv) Section 4.10;
- (v) Section 4.11;
- (vi) Section 4.13;
- (vii) Section 4.15;
- (viii) Section 4.17; and
- (ix) Section 5.01(3).

- (b) If at any time the Notes cease to have such Investment Grade Status or if a Default or Event of Default occurs and is continuing, then the Suspended Covenants will thereafter be reinstated as if such covenants had never been suspended (the "*Reversion Date*") and be applicable pursuant to the terms hereof (including in connection with performing any calculation or assessment to determine

compliance with the terms hereof), unless and until the Notes subsequently attain Investment Grade Status and no Default or Event of Default is in existence (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Status and no Default or Event of Default is in existence); *provided, however*, that no Default, Event of Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Note Guarantees with respect to the Suspended Covenants based on, and none of the Company or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period (as defined below), or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period. The period of time between the date of suspension of the covenants and the Reversion Date is referred to as the “*Suspension Period*.” No Subsidiaries shall be designated as Unrestricted Subsidiaries during a Suspension Period.

- (c) On the Reversion Date, all Indebtedness Incurred during the Suspension Period will be classified to have been Incurred pursuant to Section 4.09(a) hereof or one of the clauses set forth in Section 4.09(b) hereof (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to the Indebtedness Incurred prior to the Suspension Period and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be Incurred pursuant to Sections 4.09(a) or (b), such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (4)(b) of Section 4.09(b) hereof. Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.07 hereof will be made as though Section 4.07 had been in effect since the Issue Date and throughout the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will reduce the amount available to be made as Restricted Payments under Section 4.07(a). In addition, any future obligation to grant further Guarantees shall be released. All such further obligation to grant Guarantees shall be reinstated upon the Reversion Date.
- (d) The Company shall provide written notice to the Trustee within 30 days of the beginning of a Suspension Period as well as any Reversion Date.

**ARTICLE 5
SUCCESSORS**

Section 5.01 *Merger, Consolidation or Sale of Assets.*

The Company will not consolidate with or merge with or into, or sell, convey, transfer or lease all or substantially all its assets (determined on a consolidated basis for the Company and its Restricted Subsidiaries) to, any Person, unless:

- (1) the resulting, surviving or transferee Person (the “*Successor Company*”) will be a Person organized and existing under the laws of the United States of America, any State of the United States or the District of Columbia (provided that where the continuing Person is not a corporation, a co-obligor of the Notes is a corporation that is a Wholly Owned Restricted Subsidiary) and the Successor Company (if not the Company) will expressly assume, by supplemental indenture (or other joinder agreement, as applicable), executed and delivered to the Trustee, all the obligations of the Company under the Notes, this Indenture and the Security Documents and if such Successor Company is not a corporation, a co-obligor of the Notes is a corporation organized or existing under such laws;
- (2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Subsidiary of the Successor Company as a result of such transaction as having been Incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;
- (3) immediately after giving effect to such transaction, either (a) the Successor Company would be able to Incur at least an additional \$1.00 of Indebtedness pursuant to Section 4.09(a) hereof or (b) the Leverage Ratio would not be greater than it was immediately prior to giving effect to such transaction; and
- (4) the Company shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each to the effect that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture and an Opinion of Counsel to the effect that such supplemental indenture (if any) has been duly authorized, executed and delivered and is a legal, valid and binding agreement enforceable against the Successor Company provided that in giving an Opinion of Counsel, counsel may rely on an Officer’s Certificate as to any matters of fact, including as to satisfaction of clauses (2) and (3) above.

For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer, or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

Notwithstanding clauses (2), (3) and (4) of this Section 5.01 (which do not apply to transactions referred to in this sentence), (a) any Restricted Subsidiary of the Company may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Company and (b) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary. Notwithstanding clauses (2) and (3) of this Section 5.01 (which do not apply to the transactions referred to in this sentence), the Company may consolidate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Company, reincorporating the Company in another jurisdiction, or changing the legal form of the Company.

The foregoing provisions (other than the requirements of clause (2) of this Section) shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary of the Company.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the “*Company*” shall refer instead to the successor Person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; *provided, however*, that the predecessor Company shall not be relieved from the obligation to pay the principal of, premium on, if any, and interest, if any, on, the Notes except in the case of a lease of all or substantially all of such successor Person’s assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

ARTICLE 6
DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

Each of the following is an “*Event of Default*”:

- (1) default in any payment of interest on any Note when due and payable, continued for 30 days;
- (2) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;
- (3) failure to comply with Section 3.08(c) hereof for 30 days or failure to comply with Section 3.08(b) hereof;
- (4) failure to comply with the Company’s agreements or obligations contained in this Indenture or the Security Documents for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 25% in principal amount of the outstanding Notes (with a copy to the Trustee) which notice requires that the default be remedied and states that it is a notice of default under this Indenture; *provided* that the Company shall have 120 days after the receipt of such notice to remedy, or receive a waiver for, a failure to comply with Section 4.03 hereof
- (5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by the Company any of its Restricted Subsidiaries) other than Indebtedness owed to the Company or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:
 - (A) is caused by a failure to pay principal of such Indebtedness, at its stated final maturity (after giving effect to any applicable grace periods) provided in such Indebtedness (a “*payment default*”); or
 - (B) results in the acceleration of such Indebtedness prior to its stated final maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates \$15.0 million or ;

- (6) the Company or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary:
 - (A) commences a voluntary case,
 - (B) consents to the entry of an order for relief against it in an involuntary case,
 - (C) consents to the appointment of a custodian of it or for all or substantially all of its property,
 - (D) makes a general assignment for the benefit of its creditors, or
 - (E) generally is not paying its debts as they become due;
- (7) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (A) is for relief against the Company or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary in an involuntary case;
 - (B) appoints a custodian of the Company or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary or for all or substantially all of the property of the Company or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary; or
 - (C) orders the liquidation of the Company or a Significant Subsidiary or group of Restricted Subsidiaries that,

taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days; or

- (8) failure by the Company or any Significant Subsidiary (or group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements of the Company for a fiscal period end provided as required under Section 4.03 hereof) would constitute a Significant Subsidiary), to pay final judgments aggregating in excess of \$15.0 million other than any judgments covered by indemnities provided by, or insurance policies issued by, reputable and creditworthy companies, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

- (9) any Guarantee of the Notes ceases to be in full force and effect, other than in accordance with the terms of this Indenture or a Guarantor denies or disaffirms its obligations under its Guarantee of the Notes, other than in accordance with the terms thereof or upon release of such Guarantee in accordance with this Indenture; and

(10) with respect to any Collateral constituting more than \$10.0 million individually or in the aggregate, any of the Security Documents ceases to be in full force and effect, or any of the Security Documents ceases to give the Holders of the Notes the Liens purported to be created thereby, or any of the Security Documents is declared null and void or the Company or any Restricted Subsidiary denies in writing that it has any further liability under any Security Document or gives written notice to such effect (in each case (i) other than in accordance with the terms of this Indenture or the terms of the Credit Agreement or the Security Documents, (ii) except to the extent that any such cessation of the Liens results from the failure of the administrative agent under the Credit Agreement or the Applicable Parity Lien Representative, as the case may be, to maintain possession of certificates actually delivered to it representing securities pledged under the Security Documents or to file Uniform Commercial Code continuation statements, (iii) except as to Collateral consisting of real property to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied or failed to acknowledge coverage or (iv) unless waived by the requisite lenders under the Credit Agreement if, after that waiver, the Company is in compliance with Article 10 hereof); *provided* that if a failure of the sort described in this clause (10) is susceptible of cure, no Event of Default shall arise under this clause (10) with respect thereto until 30 days after notice of such failure shall have been given to the Company by the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes issued under this Indenture.

However, a default under clause (3) of this Section 6.01 will not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of the outstanding Notes notify the Company (with a copy to the Trustee) of the default and the Company does not cure such default within the time specified in clause (3) of this Section 6.01 after receipt of such notice.

If a Default for a failure to report or failure to deliver a required certificate in connection with another default (the "*Initial Default*") occurs, then at the time such Initial Default is cured, such Default for a failure to report or failure to deliver a required certificate in connection with another default that resulted solely because of that Initial Default will also be cured without any further action.

Any Default or Event of Default for the failure to comply with the time periods prescribed in Section 4.03 hereof or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such covenant or such notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture.

Section 6.02 *Acceleration.*

If an Event of Default (other than an Event of Default specified in clauses (5) or (6) of Section 6.01 hereof with respect to the Company) occurs and is continuing, the Trustee by notice to the Company or the Holders of at least 25% in principal amount of the outstanding Notes by written notice to the Company and the Trustee, may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal, premium and accrued and unpaid interest, if any, will be due and payable immediately.

In the event of a declaration of acceleration of the Notes because an Event of Default specified in clause (4) of Section 6.01 hereof has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to clause (4) of Section 6.01 hereof shall be remedied or cured, or waived by the Holders of the Indebtedness, or the Indebtedness that gave rise to such Event of Default shall have been discharged in full, in each case, within 30 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, except nonpayment of principal, premium or interest, if any, on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

If an Event of Default described in clauses (5) or (6) of Section 6.01 hereof with respect to the Company occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest, if any, on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

The Holders of a majority in principal amount of the outstanding Notes under this Indenture may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium or interest, if any) and rescind any such acceleration with respect to such Notes and its consequences hereunder if rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any, or interest, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in principal amount of the outstanding Notes under this Indenture may waive all past or existing Defaults or Events of Default (except with respect to nonpayment of principal, premium or interest, if any) and its consequences hereunder; *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding

Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration by notice to the Company and the Trustee. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05

Control by Majority.

Holders of a majority in principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be prejudicial to the rights of any other Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any actions are unduly prejudicial to any Holder) or that may involve the Trustee in personal liability.

If an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any fee, loss, liability or expense. Except to enforce the right to receive payment of principal or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25% in principal amount of the outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (3) such Holders have offered and, if requested, provided in writing the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the written request and the offer of security or indemnity; and
- (5) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a written direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07

Rights of Holders of Notes to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium on, if any, or interest, if any, on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08

Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium on, if any, and interest, if any, remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09

Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10

Priorities.

If the Trustee collects any money or property pursuant to this Article 6, it shall, subject to the provisions of the Intercreditor Agreements, pay out the money in the following order:

First: to the Trustee, the Agents, the Notes Collateral Agent, and their respective agents and attorneys for amounts due under Section 7.06 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the Notes Collateral Agent and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, if any, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

- (a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.
- (b) Except during the continuance of an Event of Default:
- (1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
- (2) in the absence of gross negligence on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificate or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).
- (c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:
- (1) this clause (c) does not limit the effect of clause (b) of this Section 7.01;
- (2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and
- (3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.
- (d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to clauses (a), (b), and (c) of this Section 7.01.
- (e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any Holders, unless such Holder has offered, and if requested, provided to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.
- (f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

- (a) The Trustee may conclusively rely upon and shall be protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.
- (b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in accordance with such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance therewith.
- (c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.
- (d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

- (e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.
- (f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered, and if requested, provided to the Trustee indemnity or security satisfactory to the Trustee against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.
- (g) In no event shall the Trustee be responsible or liable for special, indirect, punitive, incidental or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.
- (h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless written notice of any event which is in fact such a default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.
- (i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.
- (j) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, judgement, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company during its regular business hours, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

- (k) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.
- (l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers or duties hereunder.
- (m) The permissive rights of the Trustee hereunder shall not be construed as duties.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee (if this Indenture has been qualified under the TIA) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.10 hereof.

Section 7.04 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default occurs and is continuing and the Trustee is given notice of such occurrence by the Company, the Trustee must give notice of the Default to the Holders within 60 days after being notified by the Company. Except in the case of a Default in the payment of principal of, or premium, if any, or interest on any Note, the Trustee may withhold notice if and so long as a committee of trust officers of the Trustee in good faith determines that withholding notice is in the interests of the Holders.

Section 7.06 *Compensation and Indemnity.*

- (a) The Company will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.
- (b) The Company and the Guarantors will jointly and severally indemnify the Trustee and its employees, officers, directors and agents against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, the other Notes Documents and the Intercreditor Agreements, including the costs and expenses of enforcing this Indenture, the other Notes Documents and the Intercreditor Agreements, against the Company and the Guarantors (including this Section 7.06) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its gross negligence or willful misconduct, as determined by a final order of a court of competent jurisdiction. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. At the request of the Trustee, the Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.
- (c) The obligations of the Company and the Guarantors under this Section 7.06 will survive the satisfaction and discharge of this Indenture or the resignation or removal of the Trustee.
- (d) To secure the Company's and the Guarantors' payment obligations in this Section 7.06, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium on, if any, or interest, if any, on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.
- (e) When the Trustee incurs expenses or renders services after an Event of Default specified in clause (5) or (6) of Section 6.01 hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.
- (f) The Agents shall have the benefit of the provisions of this Article as though they were named as the Trustee herein.

Section 7.07

Replacement of Trustee.

- (a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.
- (b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing with 60 days' prior written notice. The Company may remove the Trustee if:
- (1) the Trustee fails to comply with Section 7.09 hereof;
 - (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
 - (3) a custodian or public officer takes charge of the Trustee or its property; or
 - (4) the Trustee becomes incapable of acting.
- (c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.
- (d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.
- (e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.
- (f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly, at the expense of the Company, transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 hereof will continue for the benefit of the retiring Trustee.

Section 7.08

Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.09

Eligibility; Disqualification.

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

Section 7.10

Notes Collateral Agent.

The rights, privileges, protections, immunities and benefits given to the Trustee in this Indenture shall apply equally to the Notes Collateral Agent, including, without limitation, the right to compensation, expense reimbursement and indemnification and the right to resign.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees), this Indenture and the Security Documents on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees, this Indenture and the Security Documents (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, or interest, if any, on such Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (2) the Company's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's and the Guarantors' obligations in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, payment of the Notes may not be accelerated because of an Event of Default with respect to the Notes specified in Section 6.01 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.15, 4.16, 4.17, 4.18, 4.19 and 4.20 hereof and Section 5.01 (other than clauses (1) and (2) of Section 5.01) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Company and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(3), (4), (5) (with respect only to the Company and Significant Subsidiaries), (6) (with respect only to the Company and Significant Subsidiaries), (7) and (8) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

- (1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, U.S. Government Obligations or a combination thereof, the principal and interest on which will be sufficient for the payment of principal, premium, if any, and interest on the Notes on the applicable redemption date or maturity date, as the case may be, and the Company must specify whether the Notes are being defeased to the date of Stated Maturity or to a particular redemption date;

- (2) an Opinion of Counsel in the United States stating that Holders and beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and in the case of an election under Section 8.02 hereof only, such Opinion of Counsel in the United States must be based on a ruling of the U.S. Internal Revenue Service or change in applicable U.S. federal income tax law since the issuance of the Notes);
- (3) an Opinion of Counsel to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions, following the deposit, the trust funds will not be subject to the effect of Section 547 of Title 11 of the United States Code, as amended;
- (4) an Officer's Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Company; and
- (5) an Officer's Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions), each stating that that all conditions precedent provided for or relating to Legal Defeasance or Covenant Defeasance, as the case may be, have been complied with.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium on, if any, or interest, if any, on any Note and remaining unclaimed for two years after such principal, premium, if any, interest, if any, has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium on, if any, or interest, if any, on, any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 of this Indenture, without the consent of any Holder of Notes, the Company, the Trustee and the other parties thereto, as applicable, may amend or supplement any Note Documents, the ABL Intercreditor Agreement, the Notes Intercreditor Agreement and the Parity Lien Intercreditor Agreement to:

- (1) cure any ambiguity, mistake, defect, error or inconsistency, conform any provision to the "Description of the Notes" section of the Offering Memorandum, or reduce the minimum denomination of the Notes;
- (2) provide for the assumption by a successor Person of the obligations of the Company under any Note Document;
- (3) provide for uncertificated Notes in addition to or in place of certificated Notes;
- (4) add to the covenants or provide for a Guarantee for the benefit of the Holders or surrender any right or power conferred upon the Company or any Restricted Subsidiary;
- (5) make any change that does not adversely affect the rights of any Holder in any material respect;
- (6) make such provisions as necessary (as determined in good faith by the Company) for the issuance of Additional Notes;
- (7) provide for any Restricted Subsidiary to provide a Guarantee in accordance with Section 4.17 hereof to add Guarantees with respect to the Notes, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture;
- (8) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee or Notes Collateral Agent pursuant to the requirements thereof or to provide for the accession by the Trustee or Notes Collateral Agent to any Note Document;
- (9) add additional obligors under this Indenture, the Notes or the Note Guarantees;
- (10) make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of Notes; *provided, however*, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;
- (11) to add or release Collateral from, or subordinate, the Lien of this Indenture and the Security Documents when permitted or required by the Security Documents, this Indenture, the ABL Intercreditor Agreement and the Parity Lien Intercreditor Agreement;
- (12) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Notes Collateral Agent for the benefit of the Trustee, Notes Collateral Agent and Holders of the Notes, as additional security for the payment and performance of all or any portion of the Notes Obligations, on any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or on which a Lien is required to be granted to or for the benefit of the Notes Collateral Agent pursuant to this Indenture, any of the Security Documents or otherwise;
- (13) to add Additional Parity Lien Secured Parties to any Security Documents, the ABL Intercreditor Agreement or the Parity Lien Intercreditor Agreement; or
- (14) make additional Indebtedness subject to the terms of the ABL Intercreditor Agreement and/or the Parity Lien Intercreditor Agreement (and join the representatives and agents under such additional Indebtedness as parties to the ABL Intercreditor Agreement and/or the Parity Lien Intercreditor Agreement), in accordance with the terms and conditions of such agreements.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Sections 7.02 and 9.05

hereof, the Trustee and the Notes Collateral Agent, as applicable, will join with the Company and the Guarantors in the execution of any amended or supplemental indenture or other document authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02

With Consent of Holders of Notes.

Except as provided below in this Section 9.02, the Company and the Trustee may amend or supplement this Indenture (including, without limitation, Section 3.09, 4.10 and 4.15 hereof) the Notes, the Note Guarantees, the Note Documents, the ABL Intercreditor Agreement, the Parity Lien Intercreditor Agreement, the Notes Intercreditor Agreement and the Security Documents with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including, without limitation, Additional Notes, if any) voting as a single class (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest, if any, on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in principal amount of the Notes then outstanding (including, without limitation, Additional Notes, if any) voting as a single class (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, such Notes). Section 2.08 hereof shall determine which Notes are considered to be "outstanding" for purposes of this Section 9.02.

In addition, without the consent of at least two-thirds in aggregate principal amount of Notes then outstanding, an amendment, supplement or waiver may not modify any Security Document or the provisions of this Indenture dealing with the Security Documents or application of trust moneys in any manner, in each case, that would subordinate the Lien of the Notes Collateral Agent to the Liens securing any other Obligations (other than as contemplated under Section 9.01(12)) or otherwise release all or substantially all of the Collateral, in each case other than in accordance with this Indenture, the Security Documents, the ABL Intercreditor Agreement, the Notes Intercreditor Agreement and the Parity Lien Intercreditor Agreement.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Sections 7.02 and 9.05 hereof, the Trustee and the Notes Collateral Agent, as applicable, will join with the Company and the Guarantors in the execution of such amended or supplemental indenture or other documentation unless such amended or supplemental indenture or other documentation directly affects the Trustee's or Notes Collateral Agent's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee and the Notes Collateral Agent may in their discretion, but will not be obligated to, enter into such amended or supplemental Indenture or other documentation.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof. A consent to any amendment or waiver under this Indenture by any Holder of Notes given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Company with any provision of this Indenture, the Notes or the Note Guarantees. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any Note or alter or waive any of the provisions with respect to the redemption of the Notes (except as provided above with respect to Sections 3.09, 4.10 and 4.15 hereof);
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;
- (4) waive a Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any Note payable in money other than that stated in the Notes;
- (6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, premium, if any, on, or interest, if any, on the Notes;
- (7) waive a redemption payment with respect to any Note (other than a payment required by Sections 3.09, 4.10 or 4.15 hereof);
- (8) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture; or
- (9) make any change in the preceding amendment and waiver provisions.

Section 9.03 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.04 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.05 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the Board of Directors of the Company approves it. In executing any amended or supplemental indenture or other documentation, the Trustee and the Notes Collateral Agent will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 12.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture or other documentation is authorized or permitted by this Indenture.

ARTICLE 10
COLLATERAL AND SECURITY

Section 10.01 *Security Interest.*

The obligations of the Company with respect to the Notes, the obligations of the Guarantors under the Note Guarantees, any other future Parity Lien Obligations and the performance of all other obligations of the Company and the Guarantors under the Note Documents, in accordance with, and pursuant to, the terms hereunder or thereunder, are secured as provided in the Security Documents.

Each Holder, by its acceptance of the Notes, consents and agrees to the terms of the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended, restated, amended and restated, supplemented or otherwise modified from time to time in accordance with, and pursuant to, their terms and authorizes and directs the Notes Collateral Agent and the Trustee to enter into the applicable Security Documents and to perform their obligations and exercise their rights thereunder in accordance therewith.

The Company will take, and will cause the Guarantors and the Company's Subsidiaries to take any and all actions reasonably required to cause the Security Documents to create and maintain, as security for the Parity Lien Obligations, a valid and enforceable perfected Lien in and on all the Collateral, in favor of the Notes Collateral Agent for the benefit of itself, the Trustee and the Holders, to the extent required by, and with the Lien priority required under, the Security Documents. The Company and the Guarantors will comply with the covenants contained in the Security Documents.

Section 10.02 *Equal and Ratable Sharing of Collateral by Holders of Parity Lien Debt.*

Notwithstanding (1) anything to the contrary contained in the Security Documents; (2) the time of Incurrence of any Series of Parity Lien Debt; (3) the order or method of attachment or perfection of any Lien securing any Series of Parity Lien Debt; (4) the time or order of filing or recording of financing statements or other documents filed or recorded to perfect any Liens securing any Series of Parity Lien Debt; (5) the time of taking possession or control over any Collateral securing any Series of Parity Lien Debt; (6) that any Parity Lien may not have been perfected or may be or have become subordinated, by equitable subordination or otherwise, to any other Lien; or (7) the rules for determining priority under any law governing relative priorities of Liens, all Parity Liens granted at any time by the Company or any Guarantor will secure, equally and ratably, all present and future Parity Lien Obligations of the Company or such Guarantor, as the case may be.

The provisions in this Section 10.02 are intended for the benefit of, and will be enforceable by, each present and future Parity Lien Claimholder, each present and future Parity Lien Representative, the Notes Collateral Agent and the Trustee, each as a holder of Parity Liens. The Parity Lien Representative of each future Series of Parity Lien Debt will be required to deliver the joinder documentation required by the Parity Lien Intercreditor Agreement to the Trustee at the time of Incurrence of such Series of Parity Lien Debt.

Section 10.03 *Relative Rights.*

Nothing in this Indenture or the other Note Documents shall:

- (1) impair, as between the Company and the Holders, the obligation of the Company to pay principal, interest, premium, if any, on the Notes in accordance with their terms or any other obligation of the Company or any Guarantor under the Note Documents;
- (2) affect the relative rights of Holders as against any other creditors of the Company or any Guarantor (other than as expressly specified in any Intercreditor Agreement);
- (3) restrict the right of any Holder to sue for payments that are then due and owing (but not the right to enforce any judgment in respect thereof against any Collateral to the extent specifically prohibited by the provisions of any Intercreditor Agreement);
- (4) restrict or prevent any Holder or holder of other Parity Lien Obligations, the Trustee or any other person from exercising any of its rights or remedies upon a Default or Event of Default not specifically restricted or prohibited by the provisions of any Intercreditor Agreement; or
- (5) restrict or prevent any Holder or holder of other Parity Lien Obligations, the Trustee or any other person from taking any lawful action in an Insolvency or Liquidation Proceeding not specifically restricted or prohibited by the provisions of any Intercreditor Agreement.

Section 10.04 *Further Assurances.*

The Company and each of the Guarantors will do or cause to be done all acts and things that may be reasonably required, to assure and confirm that the Notes Collateral Agent holds, for the benefit of the Holders of Obligations under the Note Documents, duly created and enforceable and perfected Liens upon the Collateral (including any property or assets that are

acquired or otherwise become Collateral after the Notes are issued), in each case, as and to the extent contemplated by, and with the Lien priority required under, the Note Documents.

Section 10.05

Insurance.

The Company and the Guarantors shall:

- (1) keep their properties insured and maintain such general liability, automobile liability, workers' compensation/employers' liability, property casualty insurance and any excess umbrella coverage related to any of the foregoing as is customary for companies in the same or similar businesses operating in the same or similar locations;
- (2) maintain such other insurance as may be required by law; and
- (3) maintain such other insurance as may be required by the Note Documents.

Upon the request of the Notes Collateral Agent, the Company and the Guarantors will furnish to the Trustee full information as to their property and liability insurance carriers. The Company shall (x) provide the Notes Collateral Agent with notice of cancellation or modification with respect to their respective property and casualty policies before the effective date of such cancellation or modification and (y) name the Notes Collateral Agent as a co-loss payee on property and casualty policies and as an additional insured as their respective interests may appear on the liability policies listed in clause (1) of this Section 10.05.

The Notes Collateral Agent's Liens upon the Collateral will no longer secure the Notes outstanding under this Indenture or any other Obligations under this Indenture, and the right of the Holders of the Notes and such Obligations to the benefits and proceeds of the Notes Collateral Agent's Liens on the Collateral will terminate and be discharged with respect to the Collateral:

- (1) in part, upon a sale of Collateral in accordance with this Indenture;
- (2) in whole, upon satisfaction and discharge of this Indenture as described under Section 12.01 hereof;
- (3) in whole, upon a legal defeasance or covenant defeasance of the Notes as described under Article 8 hereof;
- (4) in whole, upon payment in full and discharge of all Notes outstanding under this Indenture and all Obligations that are outstanding, due and payable under this Indenture at the time the Notes are paid in full and discharged;
- (5) in whole or in part, with the consent of the Holders of the requisite percentage of Notes in accordance with the provisions described in Section 9.02 hereof; or
- (6) if and to the extent required by the provisions of the Security Documents.

For the avoidance of doubt, the Company and the Guarantors will not be required to comply with all or any portion of Section 314(d) of the TIA.

Section 10.07

Authorization of Actions to Be Taken by the Trustee Under the Security Documents.

At any time that the security granted pursuant to the Security Documents has become enforceable and the Holders have given a direction to the Trustee to enforce such security, the Trustee is not required to give any direction to the Notes Collateral Agent with respect thereto unless it has been indemnified or secured to its satisfaction in accordance with this Indenture. In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

- (1) any failure of the Notes Collateral Agent to enforce such security within a reasonable time or at all;
- (2) any failure of the Notes Collateral Agent to pay over the proceeds of enforcement of the security;
- (3) any failure of the Notes Collateral Agent to realize such security for the best price obtainable;
- (4) monitoring the activities of the Notes Collateral Agent in relation to such enforcement;
- (5) taking any enforcement action itself in relation to such security;
- (6) agreeing to any proposed course of action by the Notes Collateral Agent which could result in the Trustee incurring any liability for its own account; or
- (7) paying any fees, costs or expenses of the Notes Collateral Agent.

Section 10.08

Authorization of Receipt of Funds by the Trustee Under the Security Documents.

The Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture and the Intercreditor Agreements.

The Company and the Guarantors shall deliver to the Notes Collateral Agent within 90 days following the Issue Date (or such longer period as the Notes Collateral Agent, acting at the direction of the Holders of more than 50% in aggregate principal amount of the then outstanding Notes, may reasonably agree or, if such Holders fail to so direct the Notes Collateral Agent, within 120 days following the Issue Date), with respect to each real property asset owned by the Company or any Guarantor listed on Schedule A attached hereto (the “*Initial Mortgaged Property*”), the following:

- (1) fully executed and notarized mortgages, deeds of trust or debentures encumbering the fee interest of the Company or any Guarantor in each such Initial Mortgaged Property, together with such UCC-1 financing statements or other fixture filings as shall be required or advisable with respect to such Initial Mortgaged Property;
- (2) a fully paid and effective pro forma title insurance policy, along with endorsements and in amounts, reasonably acceptable to the Notes Collateral Agent (not to exceed the value of the Initial Mortgaged Properties covered thereby), appropriate title affidavits, surveys, and zoning reports, in each case if required, and any other customary documents, certificates or deliverables required by a title company for each Initial Mortgaged Property, which, upon the recording of the mortgages, deeds of trust or debentures, as applicable, will insure the mortgages, deeds of trust or debentures, as applicable, to be valid and subsisting Liens on the Initial Mortgaged Property described therein, free and clear of all material Liens, except Permitted Liens;
- (3) a written opinion from local counsel in each jurisdiction in which the Initial Mortgaged Property is located with respect to the creation and enforceability of Liens created by the applicable mortgage, deed of trust or debenture and any related fixture filings, in customary form and substance reasonably acceptable to the Notes Collateral Agent;
- (4) a written opinion from counsel in each jurisdiction of organization of the owner of the applicable Initial Mortgaged Property covering the due authorization, execution, delivery and other customary matters related to the Mortgages, in customary form and substance reasonably acceptable to the Notes Collateral Agent;
- (5) at any time and from time to time, promptly execute and deliver any and all further instruments and documents and take all such other action as the Notes Collateral Agent in its reasonable judgment may deem necessary in obtaining the full benefits of, or in perfecting and preserving the Liens of, such mortgages, deeds of trust or debentures; and
- (6) prior to accepting any mortgage, deed of trust or debenture pursuant to this Section 10.10, the Company shall deliver to the Notes Collateral Agent and the Trustee an Officer’s Certificate to the effect that all conditions precedent provided for in this Indenture to the delivery of such mortgage, deed of trust or debenture, as applicable, have been complied with.

With respect to the time periods set forth in this Section 10.09, if any government office required for an action is closed on one or more days on which it would normally be open, the applicable time periods set forth above shall not commence until the 3rd business or working day following the latest date such government office was closed on a day on which it would normally be open.

Section 10.10

Trustee’s Duties with Respect to Collateral; Rights of Notes Collateral Agent.

Beyond the exercise of reasonable care in the custody thereof, the Trustee shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Trustee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee in good faith.

The Trustee shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of the Company to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. The Trustee shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture or the Security Documents by the Company, the Guarantors or the Notes Collateral Agent.

Without prejudice to Section 7.10, the rights and protections afforded to the Trustee under this Section 10.11 shall be equally applicable to the Notes Collateral Agent. Notwithstanding anything herein to the contrary, the Notes Collateral Agent shall not be required to take any action or exercise any discretion under the Security Documents or with respect to the Collateral unless such action is directed pursuant to Section 6.05 hereof (subject to Sections 7.01(c)(3) and 7.02(f) hereof), it being understood that the duties and obligations of the Notes Collateral Agent under the Security Documents shall be wholly ministerial.

If in order to perfect the security interest of the Trustee or the Notes Collateral Agent in a deposit account or a securities account, the Trustee or the Notes Collateral Agent is required to enter into a control agreement, the Trustee and the Notes Collateral Agent shall not be required to enter into any such agreement that requires the Trustee or the Notes Collateral Agent to indemnify any Person from its own personal assets.

Section 10.11

Holder Direction.

Each Holder, by accepting a Note, shall be deemed (1) to have consented and agreed to the terms of the Security Documents, the Intercreditor Agreements and any additional Intercreditor Agreement entered into in compliance with the provisions hereof or of any Intercreditor Agreement as the same may be in effect or may be amended from time to time in accordance with their terms and authorizes and directs the Notes Collateral Agent to enter into the Security Documents and to perform its obligations and exercise its rights thereunder in accordance therewith, (2) to have authorized the Trustee and the Notes Collateral Agent, as applicable, to enter into the Security Documents, the Intercreditor Agreements and any additional Intercreditor Agreement, to make any representations on behalf of the Holders in the Intercreditor Agreements and any additional Intercreditor Agreement and to be bound thereby and (3) to have irrevocably appointed and authorized the Notes Collateral Agent and the Trustee to give effect to the provisions in the Intercreditor Agreements, any additional Intercreditor Agreements and the Security Documents. The Notes Collateral Agent is hereby authorized to exercise such rights and powers as are specifically delegated to it by the terms of the Security Documents and the Trustee and Notes Collateral Agent are directed to enter into and perform the Notes Intercreditor Agreement. The Trustee may conclusively assume that the document identified as the Notes Intercreditor Agreement in a request from the Company to the Trustee to execute the Notes Intercreditor Agreement meets the requirements of this Section 10.11. The Holders acknowledge that the Notes Collateral Agent is an agent and not a trustee.

ARTICLE 11 NOTE GUARANTEES

Section 11.01 *Guarantee.*

(a) Subject to this Article 11, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

- (1) the principal of, premium, if any, on, and interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest, if any, on, the Notes, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and
- (2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 11.02 *Limitation on Guarantor Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 11, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 11.03 *Execution and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 11.01 hereof, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit E hereto will be endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 11.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

In the event that the Company or any of its Restricted Subsidiaries creates or acquires any Domestic Subsidiary after the date of this Indenture, if required by Section 4.17 hereof, the Company will cause such Domestic Subsidiary to comply with the provisions of Section 4.17 hereof and this Article 11, to the extent applicable.

- (a) No Guarantor may
- (1) consolidate with or merge with or into any Person, or
 - (2) sell, convey, transfer, lease or dispose of, all or substantially all its assets, in one transaction or a series of related transactions, to any Person, or
 - (3) permit any Person to merge with or into the Guarantor, unless:
 - (A) the other Person is the Company or any Restricted Subsidiary that is a Guarantor or becomes a Guarantor concurrently with the transaction; or
 - (B) (1) either (x) a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all of the obligations of the Guarantor under its Guarantee of the Notes and the Security Documents; and (2) immediately after giving effect to the transaction, no Default has occurred and is continuing; or
 - (C) the transaction constitutes a sale or other disposition (including by way of consolidation or merger) of the Guarantor or the sale or disposition of all or substantially all the assets of the Guarantor (in each case other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

Section 11.05

Releases.

The Note Guarantee of a Guarantor will terminate upon:

- (1) a sale or other disposition (including by way of stock issuance, consolidation or merger) of the Capital Stock of such Guarantor after which such Guarantor is not a Restricted Subsidiary or the sale or disposition of all or substantially all the assets of the Guarantor (other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture;
- (2) the designation in accordance with this Indenture of the Guarantor as an Unrestricted Subsidiary or the occurrence of any event after which the Guarantor is no longer a Restricted Subsidiary;
- (3) defeasance or discharge of the Notes, as provided in Article 8 and Article 12 hereof;
- (4) to the extent that such Guarantor is not an Immaterial Subsidiary solely due to the operation of the proviso of the definition of "Immaterial Subsidiary," upon the release of the guarantee referred to in such clause;
- (5) to the extent such Guarantor is also a guarantor or borrower under the Credit Agreement as in effect on the Issue Date at the time it (x) has been released from its guarantee of, and all pledges and security, if any, granted in connection with the Credit Agreement (except a release by or as a result of a payment thereon) and (y) to the extent such Guarantor was required to provide a Note Guarantee pursuant to Section 4.17 hereof upon the release or discharge of the guarantee of such Guarantor of each of the obligations of the Company or its Restricted Subsidiaries that gave rise to the requirement to provide such Note Guarantee or the repayment of each of the obligations of the Company or its Restricted Subsidiaries that gave rise to the obligation to provide such Note Guarantee; or
- (6) upon the achievement of Investment Grade Status by the Notes; provided that such Note Guarantee shall be reinstated upon the Reversion Date.

Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 11.05 will remain liable for the full amount of principal of, premium on, if any, and interest, if any, on, the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 11.

ARTICLE 12
SATISFACTION AND DISCHARGE

Section 12.01

Satisfaction and Discharge.

This Indenture and the Security Documents will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

- (1) either (a) all the Notes previously authenticated and delivered (other than certain lost, stolen or destroyed Notes and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Company) have been delivered to the Trustee for cancellation; or (b) all Notes not previously delivered to the Trustee for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company;
- (2) the Company has deposited or caused to be deposited with the Trustee, money or U.S. Government Obligations, or a combination thereof, as applicable, the principal and interest on which will be sufficient to pay and discharge the entire indebtedness on the Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be;
- (3) the Company has paid or caused to be paid all other sums payable under this Indenture; and
- (4) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each to the effect that all conditions precedent under this Section 12.01 have been complied with; *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (1), (2) and (3)).

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to clause (2) of this Section 12.01, the provisions of Sections 12.02 and 8.06 hereof will survive. In addition, nothing in this Section 12.01 will be deemed to discharge those provisions of Section 7.06 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 12.02

Application of Trust Money.

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 12.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 12.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01 hereof; *provided* that if the Company has made any payment of principal of, premium on, if any, or interest, if any, on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

Notwithstanding any other provision of this Indenture or any Note, where this Indenture or any Note provides for notice of any event (including any notice of redemption) to any Holder of an interest in a Global Note (whether by mail or otherwise), such notice shall be sufficiently given if given to DTC or any other applicable depository for such Note (or its designee) according to the applicable procedures of DTC or such depository.

Any notice or communication to a Holder will be delivered electronically or mailed by first class mail, certified or registered, return receipt requested, or by overnight air courier guaranteeing next day delivery to its address shown on the register kept by the Registrar. Failure to mail a notice or communication to a Holder or any defect in it will not affect its sufficiency with respect to other Holders.

If the Company mails a notice or communication to Holders, it will mail a copy to the Trustee, the Notes Collateral Agent and each Agent at the same time.

Section 13.02

Certificate and Opinion as to Conditions Precedent.

Upon any request or application by the Company to the Trustee to take any action under this Indenture, the Company shall furnish to the Trustee:

- (1) an Officer's Certificate satisfactory to the Trustee (which must include the statements set forth in Section 13.03 hereof) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

- (2) an Opinion of Counsel satisfactory to the Trustee (which must include the statements set forth in Section 13.03 hereof) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been satisfied.

- (2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (3) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been satisfied; and
- (4) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been satisfied.

Section 13.04 *Rules by Trustee and Agents.*

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 13.05 *No Personal Liability of Directors, Officers, Employees and Stockholders.*

No director, officer, employee, incorporator or shareholder of the Company or any of their respective Subsidiaries or Affiliates, as such, shall have any liability for any obligations of the Company under the Note Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the U.S. federal securities laws and it is the view of the SEC that such a waiver is against public policy.

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES, THE NOTE GUARANTEES AND THE SECURITY DOCUMENTS WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The parties irrevocably submit to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, City of New York, over any suit, action or proceeding arising out of or relating to this Indenture. To the fullest extent permitted by applicable law, the parties irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

Section 13.07

No Adverse Interpretation of Other Agreements.

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 13.08

Successors.

All agreements of the Company in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors. All agreements of each Guarantor in this Indenture will bind its successors, except as otherwise provided in Section 11.05 hereof.

Section 13.09

Severability.

In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 13.10

Counterpart Originals.

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement. Any signature to this Indenture may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Indenture.

Section 13.11

Table of Contents, Headings, etc.

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

Section 13.12

Force Majeure.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, epidemics, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services or other unavailability of the Federal Reserve Bank wire or other wire or communication facility; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 13.13

U.S.A. Patriot Act.

The parties hereto acknowledge that in accordance with Section 326 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (the "*U.S.A. Patriot Act*"), the Trustee and the Notes Collateral Agent, like all U.S. financial institutions, in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The parties to this Indenture agree that they will provide the Trustee and the Notes Collateral Agent with such information as they may request in order to satisfy the requirements of the U.S.A. Patriot Act.

Section 13.14

JURY TRIAL WAIVER

EACH OF THE COMPANY, THE GUARANTORS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES, THE NOTE GUARANTEES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

[Signatures on following page]

IN WITNESS WHEREOF, the parties have caused this Indenture to be duly executed as of the day and year first written above.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST.* Urban One, Inc., a Delaware corporation (the “*Company*”), promises to pay or cause to be paid interest on the principal amount of this Note at 8.75% per annum from _____, ____ until maturity. The Company will pay interest, if any, quarterly in arrears on January 15, April 15, July 15 and October 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that, if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be _____, _____. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(2) *METHOD OF PAYMENT.* The Company will pay interest on the Notes (except defaulted interest), if any, to the Persons who are registered Holders of Notes at the close of business on the January 1, April 1, July 1 or October 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest, if any, at the office or agency of the Paying Agent and Registrar within the City and State of New York, or, at the option of the Company, payment of interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium on, if any, and interest, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Company or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, Wilmington Trust, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *INDENTURE.* The Company issued the Notes under an Indenture dated as of November 9, 2020 (the “*Indenture*”) among the Company, the Guarantors and the Trustee and Notes Collateral Agent. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION.* The Company may redeem the Notes in whole or in part, at its option, upon not less than 30 nor more than 60 days’ prior notice at a redemption price equal to 100% of the principal amount of such Notes plus accrued and unpaid interest, if any, to the redemption date.

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *MANDATORY REDEMPTION.*

(a) Except as set forth in clauses (b) and (c) below, the Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(b) Within 90 days after the Issue Date the Company will repurchase or repay (pursuant to a tender offer but not through open market purchases) or redeem \$15.0 million aggregate principal amount of the Notes at a purchase price or redemption price equal to 100% of the principal amount of such Notes plus accrued and unpaid interest, if any, to the expiration date of the tender offer or the redemption date, as applicable; *provided* that (i) the delivery of an irrevocable notice of redemption and (ii) the Company depositing or causing to be deposited with the Trustee, money or U.S. Government Obligations, or a combination thereof, as applicable, the principal and interest on which will be sufficient to pay and discharge such Notes, for principal, premium, if any, and interest to the redemption date, in each case, prior to the expiration of such 90 day period shall constitute a redemption of the aggregate principal amount of notes specified in such notice for the purposes of this sentence.

(c) Within 5 business days after each Excess Cash Flow Calculation Date (as defined in the Indenture), the Company shall (i) issue an irrevocable notice of redemption to redeem an aggregate principal amount of notes equal to 50% of the Excess Cash Flow (as defined in the Indenture) for the related Excess Cash Flow Calculation Period (as defined in the Indenture) (each such redemption a “Mandatory Excess Cash Flow Redemption”) and (ii) deposit or cause to be deposited with the Trustee, money or U.S. Government Obligations, or a combination thereof, as applicable, the principal and interest on which will be sufficient to pay and discharge such Notes, for principal, premium, if any, and interest to the redemption date; provided that repurchases, repayments or redemption of Notes with internally generated funds during the applicable Excess Cash Flow Calculation Period shall reduce on a dollar-for-dollar basis the amount of such Mandatory Excess Cash Flow Redemption otherwise required on the applicable Excess Cash Flow Calculation Date. Any Mandatory Excess Cash Flow Redemption shall be at a redemption price equal to 100% of the principal amount of such Notes plus accrued and unpaid interest, if any, to the redemption date, and the redemption date for each Mandatory Excess Cash Flow Redemption shall be the 30th day (or, if such day is not a Business Day, the next succeeding Business Day) after the date the related notice of redemption is delivered electronically or mailed by first class mail. For the avoidance of doubt, the term Excess Cash Flow shall be read, defined, construed and applied in a manner at all times consistent as such term is read, defined, construed and applied in the Unsecured Term Loan Agreement as in effect as of the Issue Date.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) Upon the occurrence of a Change of Control, unless the Company has previously or concurrently delivered a redemption notice (that may only be conditional upon the occurrence of such Change of Control) with respect to all the outstanding Notes as set forth under Section 3.07 of the Indenture, the Company will make an offer (a “Change of Control Offer”) at a price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to but excluding the date of repurchase, subject to the right of Holders of the Notes of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will deliver notice of such Change of Control Offer electronically or by first-class mail, with a copy to the Trustee, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If the Company or a Restricted Subsidiary of the Company consummates any Asset Disposition, on the 366th day after such Asset Disposition, if the aggregate amount of Excess Proceeds exceeds \$10.0 million, the Company will make an Asset Disposition Offer to all Holders of Notes and all holders of other Pari Passu Indebtedness to purchase, prepay or redeem with the proceeds of sales of assets in accordance with the Indenture to purchase, prepay or redeem the maximum principal amount of Notes and such other Pari Passu Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Disposition Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Disposition Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other Pari Passu Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Disposition Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed or as otherwise in accordance with the applicable procedures of the Depository. Upon completion of each Asset Disposition Offer, the amount of Excess Proceeds will be reset at zero. Holders of Notes that are the subject of an offer to purchase will receive an Asset Disposition Offer from the Company prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled “*Option of Holder to Elect Purchase*” attached to the Notes.

(8) *NOTICE OF REDEMPTION.* At least 30 days but not more than 60 days before a redemption date, the Company will deliver electronically or mail by first class mail a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 12 thereof. Notes and portions of Notes selected will be in minimum denominations of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(10) *SECURITY.* The Notes will be secured on the terms and subject to the conditions set forth in the Indenture and the Security Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including the provisions providing for the foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Trustee and/or the Notes Collateral Agent, as applicable, to enter into the Security Documents and to perform its obligations and exercise its rights thereunder in accordance therewith.

(11) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as the owner of it for all purposes. Only registered Holders have rights under the Indenture.

(12) *AMENDMENT, SUPPLEMENT AND WAIVER.* Subject to certain exceptions, the Indenture, the Notes or the Note Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of Notes, the Indenture, the Notes or the Note Guarantees may be amended or supplemented to cure any ambiguity, defect, error or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Company's or a Guarantor's obligations to Holders of the Notes and Note Guarantees by a successor to the Company or such Guarantor pursuant to the Indenture, to make any change that would add to the covenants or provide for a Guarantee for the benefit of the Holders of the Notes or surrender any right or power conferred upon the Company or any Restricted Subsidiary or that does not adversely affect the rights under the Indenture of any Holder, to conform the text of the Indenture, the Notes, or the Note Guarantees to any provision of the "Description of the Notes" section of the Offering Memorandum, to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture, to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Note Guarantee with respect to the Notes.

(13) *DEFAULTS AND REMEDIES.* Events of Default include: (i) default in any payment of interest on any Note when due and payable, continued for 30 days; (ii) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise; (iii) failure to comply with Section 3.08(c) of the Indenture for 30 days or failure to comply with Section 3.08(b) of the Indenture; (iv) failure to comply with the Company's agreements or obligations contained in the Indenture or the Security Documents (as defined in the Indenture) for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 25% in principal amount of the outstanding Notes which notice requires that the default be remedied and states that it is a notice of default under this Indenture; *provided* that the Company shall have 120 days after the receipt of such notice to remedy, or receive a waiver for, a failure to comply with Section 4.03 of the Indenture; (v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by the Company any of its Restricted Subsidiaries) other than Indebtedness owed to the Company or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which (a) is caused by a failure to pay principal of such Indebtedness, at its stated final maturity (after giving effect to any applicable grace periods) provided in such Indebtedness, or (b) results in the acceleration of such Indebtedness prior to its stated final maturity, and, in each case under (a) and/or (b) above, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates \$15.0 million or more; (vi) certain events of bankruptcy, insolvency or court protection of the Company or a Significant Subsidiary (as defined in the Indenture) or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary; (vii) failure by the Company or any Significant Subsidiary (or group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements of the Company for a fiscal period end provided as required under Section 4.03 of the Indenture) would constitute a Significant Subsidiary) to pay certain final judgments aggregating in excess of \$15.0 million, which judgments are not paid, discharged or stayed, for a period of 60 days; (viii) any Guarantee of the Notes ceases to be in full force and effect, other than in accordance with the terms of the Indenture or a Guarantor denies or disaffirms its obligations under its Guarantee of the Notes, other than in accordance with the terms thereof or upon release of such Guarantee in accordance with the Indenture. In the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company, all outstanding Notes will become due and payable immediately without further action or notice; and (ix) with respect to any Collateral (as defined in the Indenture) constituting more than \$10.0 million individually or in the aggregate, any of the Security Documents ceases to be in full force and effect, or any of the Security Documents ceases to give the holders of the Notes the Liens purported to be created thereby, or any of the Security Documents is declared null and void or the Company or any Restricted Subsidiary denies in writing that it has any further liability under any Security Document or gives written notice to such effect, as set forth in Section 6.01 of the Indenture. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal,

premium, if any, interest, if any,) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of all the Holders of Notes, rescind an acceleration or waive an existing Default or Event of Default and its respective consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (including in connection with an offer to purchase). The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(14) *TRUSTEE DEALINGS WITH COMPANY.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

(15) *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

No amendment, modification or waiver of any of the provisions of this Agreement shall be deemed to be made unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Notwithstanding the foregoing, the Company and the other Grantors shall not have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except to the extent their rights are adversely affected or which by the terms of this Agreement expressly requires the Company's consent.

5. Submission to Jurisdiction; Certain Waivers.

Each Collateral Agent and each Representative, on behalf of itself and each other Parity Lien Claimholder represented by it, hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement (whether arising in contract, tort or otherwise) to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive (subject to clause (c) below) general jurisdiction of the courts of the State of New York sitting in the Borough of Manhattan, the courts of the United States for the Southern District of New York sitting in the Borough of Manhattan, and appellate courts from any thereof;

(e) consents to service of process in any such proceeding in any such court by registered or certified mail, return receipt requested, to the applicable party at its address provided in accordance with Section 7 below (and agrees that nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law);

(f) agrees that service as provided in clause (e) above is sufficient to confer personal jurisdiction over the applicable party in any such proceeding in any such court, and otherwise constitutes effective and binding service in every respect; and

(g) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover any special, exemplary, punitive or consequential damages.

6. WAIVER OF JURY TRIAL.

THIS AGREEMENT, AND ANY DISPUTE, CLAIM OR CONTROVERSY ARISING OUT OF OR RELATING TO THIS AGREEMENT (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW RULES THAT WOULD RESULT IN THE APPLICATION OF A DIFFERENT GOVERNING LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OR PRIORITY OF THE SECURITY INTERESTS).

9. Binding on Successors and Assigns.

This Agreement shall be binding upon each Representative and each Collateral Agent, the Parity Lien Claimholders, the Company and the other Grantors, and their respective successors and assigns from time to time. If any of the Representatives and/or Collateral Agents resigns or is replaced pursuant to the applicable Parity Lien Documents its successor shall be deemed to be a party to this Agreement and shall have all the rights of, and be subject to all the obligations of, this Agreement. No provision of this Agreement will inure to the benefit of a trustee, debtor-in-possession, creditor trust or other representative of an estate or creditor of any Grantor, including where any such trustee, debtor-in-possession, creditor trust or other representative of an estate is the beneficiary of a Lien securing Collateral by virtue of the avoidance of such Lien in an Insolvency or Liquidation Proceeding.

10. Section Headings.
