PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON SEPTEMBER 15,
2000

GENERAL

This proxy statement is furnished in connection with the solicitation on behalf of the Board of Directors of RADIO ONE, INC. ("Radio One" or the "Company") of proxies to be used at the annual meeting of Stockholders (the "Meeting"), to be held on September 15, 2000 at 9:30 a.m., local time, at the Washington Monarch Hotel, 2401 M Street, NW, Washington, D.C., and all adjournments thereof. The proxy statement and a copy of the Company's Annual Report on Form 10-K for the year ended December 31, 1999 are first being mailed on or about August 16, 2000 to Stockholders of record at the close of business on August 9, 2000.

A proxy card is enclosed. Whether or not you plan to attend the Meeting in person, please date, sign and return the enclosed proxy card as promptly as possible in the postage prepaid envelope provided. This will ensure that your shares will be voted at the Meeting.

Proxies will be solicited by mail, and the Company will pay all expenses of preparing and soliciting such proxies. The persons designated as proxy in any duly executed proxy card received, will vote on all matters presented at the Meeting in accordance with the specifications given therein by the person executing such proxy or, in the absence of specified instructions, will vote in favor of each of the proposals indicated on such proxy. The Board of Directors does not know of any other matter that may be brought before the Meeting, but, in the event that any other matter should come before the Meeting, the persons named as proxy will have authority to vote all proxies not marked to the contrary in their discretion as they deem advisable.

Any Stockholder may revoke his or her proxy at any time before the Meeting by written notice to such effect received by the Company at the address set forth above, attn: Linda J. Eckard, Assistant Secretary, by delivery of a subsequently dated proxy, or by attending the Meeting and voting in person.

THE MEETING

The Meeting will be held on September 15, 2000 at 9:30 a.m., local time, at the Washington Monarch Hotel, 2401 M Street, NW, Washington, D.C.

PROPOSALS

At the Meeting, our Stockholders will be asked to (i) elect Brian W. McNeill and Terry L. Jones as Class A Directors, to serve until the 2001 annual meeting of Stockholders or until their successors are duly elected and qualified (Proposal 1); (ii) elect Catherine L. Hughes, Alfred C. Liggins, III, and Larry D. Marcus as directors to serve until the 2001 annual meeting of Stockholders or until their successors are duly elected and qualified (Proposal 2); (iii) amend the Company's Amended and Restated Certificate of Incorporation to provide holders of the Class A Common Stock the right to convert such Class A Common Stock into Class D Non-Voting Common Stock (Proposal 3); (iv) amend the Company's Amended and Restated Bylaws to permit the election of up to eleven, but not fewer than five, members of the Board of Directors (Proposal 4); (v) ratify the adoption of the 1999 Stock Option Plan (Proposal 5); (vi) ratify the appointment of Arthur Andersen, LLP as independent public accountants for the Company for the year ended December 31, 2000 (Proposal 6); and (vii) transact such other business as may properly come before the Meeting or any adjournment thereof.

The Board of Directors is not aware of any other business that will be presented for consideration at the Meeting.

HOW YOU CAN VOTE

You may submit your proxies by attending the Meeting and voting your shares in person. You also may choose to submit your proxies by completing the enclosed proxy card, dating and signing it, and returning it in the postage-paid envelope provided. If you sign your proxy card and return it without marking any voting instructions, your shares will be voted in favor of each of the proposals presented at the Meeting for which you are eligible to vote. If your shares are held in the name of a broker, bank or other record holder (i.e., in "Street Name"), you must either direct the record holder of your shares how to vote your shares or obtain a proxy from the record holder to vote at the Meeting.

VOTING AND SOLICITATION OF PROXIES

All shares of Common Stock represented at the Meeting by properly executed proxies received prior to the vote at the Meeting, unless previously revoked (as described immediately below), will be voted in accordance with the instructions indicated thereon. Where a properly signed proxy is returned and no instructions are given, proxies will be voted as follows:

- Proxies received from all holders of Common Stock will be voted FOR the amendment to the Company's Amended and Restated Certificate of Incorporation to provide holders of Class A Common Stock the right to convert such Class A Common Stock into Class D Non-Voting Common Stock (holders of Class C Common Stock and Class D Non-Voting Common Stock are not eligible to vote on any other proposal presented at the Meeting).
- Proxies received from the holders of Class A Common Stock will also be voted FOR all of the nominees for Class A Director (for which holders of Class B Common Stock are not eligible to vote).
- Proxies received from holders of Class A Common Stock and Class B Common stock will be voted FOR:
 - All of the other nominees for Director;
 - The amendment to the Company's Amended and Restated Bylaws to permit election of up to eleven, but not fewer than five, members of the Board of Directors;
 - Approval of the 1999 Stock Option Plan;
 - Ratification of Arthur Andersen, LLP as independent public accountants for the Company for the 2000 fiscal year; and
 - At the discretion of the proxies on any other matter that may be properly brought before the Meeting.

No matters other than those referred to above are presently scheduled to be considered at the Meeting. A broker who holds a Stockholder's shares in Street Name will not be entitled to vote on Proposals 3, 4, and 5 without instructions from the beneficial owner of such shares. Pursuant to the Company's Amended and Restated Bylaws, any question presented to a meeting of the Stockholders must be approved (with certain exceptions) by the vote of a majority of the votes eligible to be cast by the Stockholders at the Meeting, and, as a result, abstentions will have the same effect as a vote against such proposal, whereas broker non-votes will have no effect on the voting.

Abstentions may be specified on each proposal. Abstentions will be counted as present for purposes of the item on which the abstention is noted and, thus, have the effect of a vote against the proposal. Votes may be cast in favor of or in opposition to each proposal or, in the case of the election of Directors, votes may be cast in favor of the election of each nominee or withheld. Except with respect to proposals requiring the affirmative

vote of a majority of votes entitled to be cast (Proposals 3 and 4), as to which broker non-votes have the effect of a vote against the proposal, shares represented by a proxy as to which there is a broker non-vote will not be counted toward the calculation of a majority of votes and thus will have no effect on the outcome of the voting. (A broker non-vote occurs when a nominee who holds shares for a beneficial owner does not vote on a proposal because the nominee does not have discretionary voting power and has not received voting instructions from the beneficial owner.)

A Stockholder giving a proxy may revoke such proxy at any time before the proxy is voted. A proxy may be revoked by filing with Linda J. Eckard, Assistant Secretary of the Company at 5900 Princess Garden Parkway, 8th Floor, Lanham, Maryland 20706 either (i) a written notice of revocation, including by telegram or facsimile, bearing a date later than the date of such proxy or (ii) a later-dated proxy relating to the same shares. A Stockholder who gives a proxy may also revoke such proxy by attending the Meeting and voting in person (although mere attendance at the Meeting will not, in and of itself, constitute a revocation of a proxy).

COSTS OF SOLICITATION

Proxies are being solicited by and on behalf of the Company, and the Company will pay the costs of soliciting proxies. The Company will solicit proxies by mail, and the directors, officers and employees of the Company may also solicit proxies by telephone, facsimile, telegram or in person. Those persons will receive no additional compensation for these services but will be reimbursed for reasonable out-of-pocket expenses. The Company will bear the costs of preparing and mailing the proxy materials to such persons as brokerage houses and other custodians, nominees and fiduciaries, for their forwarding of the proxy materials to the beneficial owners. Upon request, the Company will also reimburse such brokerage houses, custodians, nominees and fiduciaries for their reasonable expenses in sending the proxy materials to the beneficial owners.

SHARES ENTITLED TO VOTE

Only Stockholders of record of Common Stock at the close of business on August 9, 2000 (the "Record Date") will be entitled to notice of and to vote at the Meeting. As of the Record Date, there were 22,788,933 shares of Class A Common stock and 2,867,463 shares of Class B Common Stock issued, outstanding and eligible to vote. Each share of Class A Common Stock is entitled to one non-cumulative vote, and each share of Class B Common Stock is entitled to ten non-cumulative votes. As of the Record Date, there were also 3,132,458 shares of Class C Common Stock and 56,689,176 shares of Class D Non-Voting Common Stock issued and outstanding, whose vote will be counted only with respect to the proposed amendment to the Company's Amended and Restated Certificate of Incorporation to permit holders of Class A Common Stock to convert such Class A Common Stock into Class D Non-Voting Common Stock.

QUORUM

A quorum of Stockholders is necessary to take action at the Meeting. Each share of Class A Common Stock entitles the holder thereof to one vote. Each share of Class B Common Stock entitles the holder thereof to ten votes. Accordingly a total of 51,463,563 votes may be cast at the Meeting. The holders of shares of Common Stock representing a majority of all votes entitled to be cast at the Meeting (25,731,782 votes), whether present in person or represented by proxy at the Meeting, shall constitute a quorum. In addition to the foregoing, the holders of a majority of the Class C Common Stock (1,566,230 shares) and a majority of the Class D Non-Voting Common Stock (28,344,589 shares) must be present in person or by proxy at the Meeting in order for a quorum to be present for purposes of considering the proposed amendment to the Company's Amended and Restated Certificate of Incorporation to permit holders of Class A Common Stock to convert such Class A Common Stock into Class D Non-Voting Common Stock. The inspectors of election appointed for the Meeting will determine whether a quorum is present. Abstentions and instructions to withhold voting

authority, but not broker non-votes, are counted as present for purposes of determining whether there is a quorum. In the event that a quorum is not obtained at the Meeting, we expect that the Meeting will be adjourned or postponed to solicit additional proxies.

If a quorum is not present, the holders of the shares present in person or represented by proxy at the Meeting and entitled to vote thereat shall have the power, by the affirmative vote of the holders of a majority of such shares, to adjourn the Meeting to another time or place. Unless the adjournment is for more than thirty days or unless a new record date is set for the adjourned meeting, no notice of the adjourned meeting need be given to any Stockholder, provided that the time and place of the adjourned meeting is announced at the Meeting at which the adjournment was taken. At the adjourned meeting, the Company may transact any business which might have been transacted at the original Meeting.

VOTE REQUIRED

A quorum being present at the Meeting, (a) the affirmative vote of a majority of the votes cast by the holders of Class A Common Stock will be necessary for the approval and adoption of the proposal to elect Brian W. McNeill and Terry L. Jones as Class A Directors, and (b) the affirmative vote of a majority of the votes cast by all holders of Class A Common Stock and Class B Common Stock will be necessary for the approval and adoption of the proposals for (i) for the election of the remaining director nominees, (ii) the ratification of the 1999 Stock Option Plan and (iii) the ratification of the appointment of the independent public accountants. In addition to the foregoing requirements, (i) the proposal to permit holders of Class A Common Stock to convert such Class A Common Stock into Class D Non-Voting Common Stock must be approved by a majority vote of the holders of each class of Common Stock, including the Class C Common Stock and the Class D Non-Voting Common Stock, and (ii) the proposal to amend the Company's Amended and Restated By-laws to permit the election of up to eleven, but not fewer than five, directors must be approved by a majority vote of the holders of the Class A Common Stock and Class B Common Stock. Abstentions will be counted as votes against each proposal. Votes cast by proxy or in person at the Meeting will be tabulated by the inspectors of election appointed for the Meeting.

VOTING SHARES COMMITTED

The Company has been advised by various members of management and the Board of Directors who, in the aggregate, hold or otherwise have voting power with respect to 1,906,064 shares of Class A Common Stock and 2,861,843 shares of Class B Common Stock (representing approximately 59.9% of the votes possible) that they intend to vote such shares in favor of each of the proposals to be presented for consideration and approval at the Meeting. In addition, the Company has been advised by various members of management and the Board who, in the aggregate, hold or otherwise have voting power with respect to 3,121,048 shares of Class C Common Stock (representing approximately 99.6% of the outstanding shares of the Class C Common Stock) and 15,787,233 shares of Class D Non-Voting Common Stock (representing approximately 27.8% of the Class D Non-Voting Common Stock) that they intend to vote such shares in favor of the proposed amendment to the Company's Amended and Restated Certificate of Incorporation to permit holders of Class A Common Stock to convert such Class A Common Stock into Class D Non-Voting Common Stock.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Radio One has formed a Compensation Committee of the Board of Directors, and all of the directors serving on such Compensation Committee are directors who are not employees of Radio One. The Compensation Committee is comprised of Messrs. Terry L. Jones and Brian W. McNeill. No member of our Compensation Committee has a relationship that would constitute an interlocking relationship with executive officers or directors of another entity. See "Certain Relationships and Related Transactions."

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD
ON EXECUTIVE COMPENSATION

The Compensation Committee reviews the performance of the executive officers of the Company, reviews and approves the compensation of the executive officers of the Company, and reviews the compensation programs for other key employees, including salary and cash bonus amounts. The Compensation Committee currently consists of two outside directors, Messrs. Terry L. Jones and Brian W. McNeill.

Compensation Policies and Philosophy

The financial success of the Company is linked to the ability of its executive officers and managers to direct the Company's current operations, to assess the advantages of potential acquisitions, and realign the operations of the acquired entities with the operating policies of the Company. A major objective of the Company's compensation strategy is to attract and retain top-quality executive officers and managers. Another objective of the Company's compensation strategy is to reward executive officers and managers based on the financial performance of operations under their control. Financial incentives are used to motivate those responsible to achieve the Company's financial goals and to align the interests of the Company's managers with the interests of the Company's stockholders.

In order to achieve the foregoing objectives, the Company uses a combination of base salary, cash bonuses, and stock options.

In establishing the compensation levels for the Company's executive officers, the Compensation Committee considers a number of factors, including the level and types of compensation paid to executive officers in similar positions by comparable companies. In addition, the Compensation Committee evaluates the Company's performance by looking at factors such as performance relative to competitors, performance relative to business conditions and the success of the Company in meeting its financial objectives.

Components of Compensation

Executive officer base salaries are established in relation to salaries for individuals in comparable positions paid by other companies in the radio broadcast industry.

Executive officer cash bonuses are used to provide executive officers with financial incentives to meet annual performance targets. The performance targets are based on the Company's budgeted goals pursuant to a detailed annual operating plan. Bonus recommendations for executive officers other than the Chief Executive Officer ("CEO") are proposed by the CEO, reviewed and, when appropriate, revised and approved by the Compensation Committee. The Compensation Committee also establishes the bonus level for the CEO.

The Compensation Committee believes that equity ownership by the executive officers, managers, and other employees of the Company provides incentive to build stockholder value and aligns the interests of these employees with the interests of stockholders. Upon hiring executive officers, managers, and certain other key employees, the Board of Directors typically approves stock option grants under the 1999 Stock Option Plan, subject to applicable vesting periods. Thereafter, the Board of Directors considers awarding additional grants, usually on an annual basis, under the 1999 Stock Option Plan. The Board of Directors believes these additional annual grants will provide incentives for executive officers, managers, and key employees to remain with the Company. Options are granted at the current market price of the Company's Common Stock and, consequently, have value only if the price of the Company's Common Stock increases over the exercise price. The size of the initial and periodic grants to employees other than the CEO and the executive officers are proposed by the CEO, reviewed and, when appropriate, revised and approved by the Board of Directors. The Board of Directors establishes the size of the initial and periodic grants to the CEO and the executive officers.

Compensation of the CEO

Effective January 1, 1999, Mr. Liggins receives an annual base salary of \$300,000, with annual bonuses based on the performance of the Company. The Compensation Committee has established this base compensation at a level appropriate for the duties and scope of responsibilities of the position, and this level is intended to be competitive with comparable broadcasting companies. The Compensation Committee reviews the performance of the CEO of the Company, as well as other executive officers of the Company annually.

Respectfully submitted,

Compensation Committee

Brian W. McNeill

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Mableton Option

Mr. Liggins, the Chief Executive Officer and President of Radio One, has a right, which he obtained in 1995, (the "Mableton Option") to acquire an interest in a construction permit for an FM radio station licensed to Mableton, Georgia (the "Mableton Station") which is in the Atlanta Metropolitan Statistical Area. Mr. Liggins and Syndicated Communications Venture Partners II, L.P. have reached an agreement to provide initial funding to satisfy the requirements of the Mableton Option. Syndicated Communications Venture Partners II, L.P. has provided this funding, a portion of which will be reimbursed to it by Mr. Liggins. Terry L. Jones, a general partner of the general partner of Syndicated Communications Venture Partners II, L.P., is also a member of Radio One's board of directors. Mr. Liggins has also proposed that Radio One, most likely through Radio One of Atlanta, Inc., enter into a Local Marketing Agreement with respect to the Mableton Station, or otherwise participate in the operations and financing of the Mableton Station. Any such arrangement will be on terms at least as favorable to Radio One as any such transaction with an unaffiliated third party.

Office Lease

We lease office space located at 100 St. Paul Street, Baltimore, Maryland from Chalrep Limited Partnership, a limited partnership controlled by Ms. Hughes and Mr. Liggins. The annual rent for the office space during 1999 was approximately \$161,000 and is expected to increase.

Music One, Inc.

Ms. Hughes and Mr. Liggins own a music company called Music One, Inc. We sometimes engage in promoting the recorded music product of Music One, Inc. We estimate that the dollar value of such promotion is nominal.

Allur-Detroit

Allur-Detroit leases the transmitter site for WDMK-FM from American Signalling Corporation for approximately \$72,000 per year. American Signalling Corporation is a wholly-owned subsidiary of Syndicated Communications Venture Partners II, L.P. Terry L. Jones, a general partner of the general partner of Syndicated Communications Venture Partners II, L.P., is also a member of Radio One's board of directors. We believe that the terms of this lease are not materially different than if the agreement were with an unaffiliated third party.

XM Satellite, Inc.

Radio One and XM Satellite Radio, Inc. have entered into a Programming Partner Agreement whereby we will provide programming to XM Satellite Radio, Inc. for distribution over satellite-delivered channels. At the time we entered into this agreement, Worldspace, Inc. held 20% of the stock of XM Satellite Radio, Inc. Syndicated Communications Venture Partners II, L.P. owns approximately 1.25% of the stock of Worldspace, Inc. Terry L. Jones, a director of Radio One, is also a director of Worldspace, Inc.

Radio One of Atlanta, Inc.

On March 30, 1999, we acquired all of the outstanding capital stock of Radio One of Atlanta, Inc. Stockholders of Radio One of Atlanta, Inc. included Alta Subordinated Debt Partners III, L.P., Syndicated Communications Venture Partners II, L.P., and Alfred C. Liggins, III. Brian W. McNeill, a general partner of Alta Subordinated Debt Partners III, L.P., is also a member of Radio One's board of directors. Terry L. Jones, a general partner of the general partner of Syndicated Communications Venture Partners II, L.P., is also a member of Radio One's Board of Directors.

Radio One issued approximately 3.3 million shares of common stock in exchange for the outstanding capital stock of Radio One of Atlanta, Inc. Alta Subordinated Debt Partners III, L.P., Syndicated Communications Venture Partners II, L.P. and Mr. Liggins received a majority of such shares in exchange for their shares in Radio One of Atlanta, Inc. In connection with this transaction, Mr. Liggins was paid a fee of approximately \$1.2 million for arranging the acquisition. Also, as part of this transaction, Radio One assumed and retired debt and accrued interest of approximately \$16.3 million of Radio One of Atlanta, Inc. and Dogwood. Of this amount, approximately \$12.0 million was paid to Allied Capital Corporation, approximately \$1.3 million was paid to Syndicated Communications Venture Partners II, L.P., and approximately \$2.0 million was paid to Alta Subordinated Debt Partners III, L.P.

The Board of Directors authorized the formation of an ad-hoc committee to oversee the valuation of Radio One of Atlanta, Inc. The ad-hoc committee members were Catherine L. Hughes of Radio One, Sanford Anstey of BancBoston Investments, Inc. and Dean Pickerell of Medallion Capital, Inc. (formerly Capital Dimensions Venture Fund, Inc.). The committee was comprised of members of the Board of Directors of, and investors in, Radio One that did not have an interest in Radio One of Atlanta, Inc.

The ad-hoc committee recommended approval of the acquisition of Radio One of Atlanta, Inc. based upon its determination that the acquisition was fair to Radio One and its Stockholders.

PNE Media Holdings, LLC

We have invested approximately \$1,000,000 in PNE Media Holdings, LLC. Alta Subordinated Debt Partners III, L.P., and its affiliates own approximately 31.4% of the equity interest in PNE Media Holdings, LLC. Mr. McNeill, a general partner of Alta Subordinated Debt Partners III, L.P., is also a member of Radio One's Board of Directors.

NetNoir, Inc.

We also made a \$750,000 loan to NetNoir, Inc., an internet portal service provider. We provided \$250,000 in cash and \$500,000 of advertising in exchange for the loan. The loan has been converted into preferred stock. Subsequent to year-end, in March 2000, we made a commitment to invest an additional \$2.5 million worth of advertising on our radio stations in exchange for an equity investment in NetNoir, Inc. Scott Royster, our Chief Financial Officer, served briefly as a director of NetNoir, Inc. during 2000, and it is anticipated that a representative of Radio One may serve on the board of directors of NetNoir. Several entities in which Mr. Jones has an interest as an officer or director own approximately 32% of the equity of NetNoir. Mr. Jones is a director of Radio One.

Executive Officers' Loans

We have extended an unsecured loan to Mr. Liggins in the amount of \$380,000, which bears interest at an annual rate of 5.56% and is evidenced by a demand promissory note. As of June 30, 2000, the aggregate outstanding principal and interest amount on this loan was \$423,036. The purpose of the loan was to repay a loan that Mr. Liggins obtained from NationsBank, Texas, N.A. in 1997 to purchase an additional interest in Radio One.

ROA has extended an unsecured loan to Mary Catherine Sneed, Chief Operating Officer of Radio One, in the original amount of \$262,539, which bears interest at an annual rate of 5.56% and is evidenced by two demand promissory notes. The purpose of this loan was to pay Mr. Royster's tax liability with respect to the restricted stock grant that we made to Mr. Royster.

PROPOSAL 3--CONVERSION OF CLASS A COMMON STOCK
INTO CLASS D COMMON STOCK

On July 31, 2000, the Board of Directors adopted a proposed amendment to the Company's Amended and Restated Certificate of Incorporation that, if approved, would permit holders of shares of Class A Common Stock to convert those shares into an equal number of shares of Class D Non-Voting Common Stock. The Board believes that it could be beneficial for holders of shares of Class A Common Stock to have the ability to convert such shares into shares of Class D Non-Voting Common Stock if, for example, the "public float" of the Class D Non-Voting Common Stock (i.e., the number of shares traded on the Nasdaq Stock Market's National Market or other securities exchange) were to be greater than that of the Class A Common Stock, thereby providing greater liquidity to holders of Class D Non-Voting Common Stock. Holders of Class A Common Stock are cautioned, however, that shares of Class D Non-Voting Common Stock do not have voting rights and are not convertible into shares of any other class of the Company's Common Stock.

If the proposed amendment is adopted, Section 4.3(d)(i) of the Company's Amended and Restated Certificate of Incorporation will be amended to read as follows:

"(i) Conversion of Class A Common. Subject to the terms and conditions stated herein, the holder of any shares of Class A Common shall have the right at any time, at such holder's option, to convert all or a portion of the shares of Class A Common so held into the same number of shares of Class C Common or Class D Common. Such right of conversion shall be exercised (A) by giving written notice (the "Notice") to the Corporation at least ten (10) days prior to the Conversion Date (as defined below) specifying therein that the holder elects to convert a stated number of shares of Class A Common into shares of Class C Common or Class D Common on the date specified in such Notice (the "Conversion Date") and (B) by surrendering the certificate or certificates representing at least the number of shares of Class A Common to be converted to the Corporation at its principal office at any time during the usual business hours on or before the Conversion Date, duly endorsed in blank by the owner of the certificate so surrendered, together with a statement of the name or names (with addresses) of the Person or Persons in whose name or names the certificate or certificates for shares issued on conversion shall be registered. Shares of Class A Common that have been converted hereunder shall not be canceled but shall remain as treasury shares unless retired by resolution of the Board of Directors."

In addition, if the proposed amendment is adopted, Section 4.3(d)(v) of the Company's Amended and Restated Certificate of Incorporation will be amended to read as follows:

"(v) Surrender of Certificates. Subject to the other provisions of this Section 4.3 and of ARTICLE IX of this Amended and Restated Certificate of Incorporation, promptly after (A) the Conversion Date and (B) the surrender of such certificate or certificates representing the share or shares of Class A Common, Class B Common or Class C Common to be converted, the Corporation shall issue and deliver, or cause to be issued and delivered, to the holder requesting conversion, registered in such name or names as such holder may direct, a certificate or certificates for the number of shares of the class of Common Stock issuable upon the conversion of such share or shares, together with a certificate or certificates evidencing any balance of the shares of the class surrendered to the Corporation but not then being converted. To the extent permitted by law, such conversion shall be deemed to have been effected as of the close of business on the later of the Conversion Date or the date upon which the Corporation shall have received the certificate or certificates representing the shares to be converted, and at such time the rights of the holder of such share or shares as such holder shall cease, and the person or persons in whose name or names any certificate or certificates for shares shall be issuable upon such conversion shall be deemed to have become the holder or holders of record of such shares of Class A Common, Class C Common or Class D Common, as the case may be."

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT EACH HOLDER OF COMMON STOCK VOTE "FOR" THE PROPOSED AMENDMENT TO THE CERTIFICATE OF INCORPORATION.

PROPOSAL 4--AMENDMENT OF THE AMENDED AND RESTATED BYLAWS TO ALLOW THE ELECTION OF UP TO ELEVEN DIRECTORS

Article III, Section 1 of the Company's Amended and Restated Bylaws currently provides in pertinent part that "The board of directors shall be five (5) in number....." However, the Certificate of Designation, Rights and Preferences of the Company's 6 1/2% Convertible Preferred Securities Remarketable Term Income Deferrable Equity Securities ("HIGH TIDES"), which was filed with the Delaware Secretary of State on July 13, 2000, provides that if dividends on the HIGH TIDES are in arrears and unpaid for six or more dividend periods, then the Board of Directors will be increased by two members who will be elected by the holders of the HIGH TIDES voting as a class. In order to conform the Bylaws to the terms of the HIGH TIDES, as well as to give the Board the flexibility to respond to Radio One's growth and to opportunities to add qualified individuals to the Board whose skills and expertise will benefit the Company and the conduct and operations of the Board, the Board of Directors proposes that Article III, Section 1 of the Amended and Restated Bylaws be amended to allow the size of the Board to be expanded to include up to eleven members, but no fewer than five.

If the proposed amendment is adopted, Article III, Section 1 of the Company's Amended and Restated Bylaws will be amended to read as follows:

"Section 1. Number, Election and Term of Office. The number of directors shall be no fewer than 5 nor more than 11, as determined from time to time by resolution of the board or as otherwise provided in the certificate of incorporation of the corporation. The directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote in the election of directors. The directors shall be elected in this manner at the annual meeting of the stockholders, except as provided in Section 3 of this Article III. Each director elected shall hold office until a successor is duly elected and qualified or until his or her earlier death, resignation or removal as hereinafter provided."

While the Board believes that the proposed amendment should be adopted for the reasons set forth above, the Board is aware that the proposed amendment may have potential anti-takeover effects. Allowing the size of the Board to be considerably expanded gives the current Board the ability to add members sympathetic to it, diluting the influence of directors hostile to current management. The Board is not aware, however, of any effort to accumulate its securities or to gain control of the Company at this time, and the proposal is not being adopted in order to block any such effort.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT EACH HOLDER OF CLASS A COMMON STOCK AND CLASS B COMMON STOCK VOTE "FOR" THE PROPOSAL TO AMEND THE BYLAWS TO ALLOW THE ELECTION OF UP TO ELEVEN DIRECTORS.

PROPOSAL 5--RATIFICATION OF THE 1999 STOCK OPTION PLAN

At the Meeting, we will ask the Stockholders to approve the adoption of the 1999 Stock Option Plan.

On March 10, 1999, we adopted the 1999 Stock Option Plan, which is designed to provide incentives relating to equity ownership to present and future executive, managerial and other key employees, directors and consultants of Radio One and our subsidiaries as may be selected in the sole discretion of the board of directors. The 1999 Stock Option Plan was amended by the Board of Directors on June 14, 2000. The 1999 Stock Option Plan, as so amended, is attached to this Proxy Statement as Exhibit A. The 1999 Stock Option Plan provides for the granting to participants of stock options and restricted stock grants as the Compensation Committee of the Board of Directors, or such other committee of the Board of Directors as the Board of Directors may designate (the "Committee") deems to be consistent with the purposes of the 1999 Stock Option Plan. An aggregate of 1,408,099 shares of Class A Common Stock and 2,816,198 shares of Class D Non-Voting Common Stock have been reserved for issuance under the 1999 Stock Option Plan. The 1999 Stock Option Plan affords Radio One latitude in tailoring incentive compensation for the retention of key

personnel, to support corporate and business objectives, and to anticipate and respond to a changing business environment and competitive compensation practices. As of June 30, 2000, we have granted options to purchase 278,484 shares of Class A Common Stock having a weighted average exercise price of \$11.93 per share, and 544,338 shares of Class D Non-Voting Common Stock having a weighted average exercise price of \$12.13 per share.

The Committee has exclusive discretion to select the participants, to determine the type, size and terms of each award, to modify the terms of awards, to determine when awards will be granted and paid, and to make all other determinations which it deems necessary or desirable in the interpretation and administration of the 1999 Stock Option Plan. The 1999 Stock Option Plan terminates ten years from the date that the 1999 Stock Option Plan is approved and adopted by the Stockholders of Radio One. Generally, a participants' rights and interest under the 1999 Stock Option Plan are not transferable except by will or by the laws of descent and distribution.

Options, which include non-qualified stock options ("NQSOs") and incentive stock options ("ISOs"), are rights to purchase a specified number of shares of Common Stock at a price fixed by the Committee. The option price may be less than, equal to or greater than the fair market value of the underlying shares of Common Stock, but in no event will the exercise price of an ISO be less than the fair market value on the date of grant. Options will expire not later than ten years after the date on which they are granted. Options will become exercisable at such times and in such installments as the Committee shall determine. Upon termination of a participant's employment with Radio One, options that are not exercisable will be forfeited immediately and options that are exercisable will be forfeited on the ninetieth day following such termination unless exercised by the participant. Payment of the option price must be made in full at the time of exercise in such form (including, but not limited to, cash or Common Stock of Radio One) as the Committee may determine.

Options granted under the 1999 Stock Option Plan may, but need not, qualify for an exemption from the "short swing liability" provisions of Section 16(b) of the Securities Exchange Act of 1934 pursuant to Rule 16b-3 and/or qualify as "performance-based compensation" that is exempt from the \$1 million limitation of the deductibility of compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Stockholder approval of the 1999 Stock Option Plan is required to satisfy the "performance-based compensation" exemption under Section 162(m) of the Code.

Grants are awards of restricted Common Stock at no cost to participants and are generally subject to vesting provisions as determined by the Committee. Upon termination of a participant's employment with Radio One, grants that are not vested will be forfeited immediately.

In the event of a reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation, distribution of assets, or any other change in the corporate structure or shares of Radio One, the Committee will make any adjustments it deems appropriate in the number and kind of shares reserved for issuance upon the exercise of options and vesting of grants under the option plan and in the exercise price of outstanding options.

U.S. Federal Income Tax Consequences

The following discussion of the U.S. federal income tax consequences of grants to U.S. employees and nonemployee Directors under the 1999 Stock Option Plan is intended to be a summary of applicable U.S. federal law as currently in effect. State and local tax consequences may differ, and tax laws may be amended or interpreted differently during the term of the 1999 Stock Option Plan or of options issued thereunder.

Because the U.S. federal income tax rules governing options and related payments are complex and subject to frequent change, and they depend on the participant's individual circumstances, participants are advised to consult their tax advisors prior to exercise of options or dispositions of stock acquired pursuant to options.

ISOs and NQSOs are treated differently for federal income tax purposes. ISOs are intended to comply with the requirements of Section 422 of the Code. NQSOs need not comply with such requirements.

An optionee is not taxed on the grant or, except as described below, exercise of an ISO. The difference between the exercise price and the fair market value of the Common Stock on the exercise date will, however, be a positive adjustment for purposes of the alternative minimum tax, and thus an optionee could be subject to the alternative minimum tax as a result of the exercise of an ISO. If an optionee holds the Common Stock acquired upon exercise of an ISO for at least two years following the grant date of the related option and more than one year following exercise, the optionee's gain, if any, upon a subsequent disposition of such Common Stock is long-term capital gain. The measure of the gain is the difference between the proceeds received on disposition and the optionee's basis in the Common Stock (which generally equals the exercise price). If an optionee disposes of Common Stock acquired pursuant to exercise of an ISO before satisfying the one and two year holding periods described above, the optionee may recognize both ordinary income and capital gain in the year of disposition. The amount of the ordinary income will be (1) the amount realized on disposition less the optionee's adjusted basis in the Common Stock (usually the exercise price) or (2) the difference between the fair market value of the Common Stock on the exercise date and the exercise price. The balance of the consideration received on such a disposition will be long-term capital gain if the stock had been held for more than one year following exercise of the ISO. The Company is not entitled to an income tax deduction on the grant or exercise of an ISO or on the optionee's disposition of the Common Stock after satisfying the holding period requirements described above. If the holding periods are not satisfied, the Company will be entitled to a deduction in the year the optionee disposes of the Common Stock in an amount equal to the ordinary income recognized by the optionee.

An optionee is not taxed on the grant of an NQSO, assuming the NQSO does not have a "readily ascertainable fair market value" for tax purposes on the date of grant. On exercise, however, the optionee recognizes ordinary income equal to the difference between the option price and the fair market value of the Common Stock acquired on the date of exercise. The Company is entitled to an income tax deduction in the year of exercise in the amount recognized by the optionee as ordinary income. Any gain or subsequent disposition of the shares is long term capital gain if the Common Stock is held for more than one year following exercise. The Company does not receive a deduction for this gain.

Special rules will apply in cases where a recipient of an option pays the exercise or purchase price of the option or applicable withholding tax obligations under the 1999 Stock Option Plan by delivering previously owned Common Stock or by reducing the number of shares of Common Stock otherwise issuable pursuant to the Option. The surrender or withholding of such shares will in certain circumstances result in the recognition of income with respect to such Common Stock or a carryover basis in the Common Stock acquired and may constitute a disposition for purposes of applying the ISO holding periods discussed above. The Company generally will be entitled to withhold any required taxes in connection with the exercise or payment of an option and may require the participant to pay such taxes as a condition to exercise of an option.

The terms of the documents pursuant to which options are granted under the 1999 Stock Option Plan provide for accelerated vesting or payment of an option in connection with a change in ownership or control of the Company. In that event and depending upon the individual circumstances of the optionee, certain amounts with respect to such option may constitute "excess parachute payments" under the "golden parachute" provisions of the Code. Pursuant to these provisions, an optionee will be subject to a 20% excise tax on any "excess parachute payments," and the Company will be denied any deduction with respect to such payments. Optionees should consult their tax advisors as to whether accelerated vesting of an option in connection with a change of ownership or control of the Company would give rise to an excess parachute payment.

As described above, options granted under the 1999 Stock Option Plan may qualify as "performance-based compensation" under Section 162(m) of the Code in order to preserve federal income tax deductions by the Company with respect to any compensation required to be taken into account under Section 162 of the Code that is in excess of \$1,000,000 and paid to a Covered Employee (as defined in Section

162(m)(3) of the Code). Compensation for any year that is attributable to an option granted to a Covered Employee and that does not so qualify may not be deductible by the Company to the extent such compensation, when combined with other compensation paid to such employee for the year, exceeds \$1,000,000.

The following table shows the grants under the 1999 Stock Option Plan.

The shares of Common Stock available under the Plan may consist of authorized and unissued shares, treasury shares or a combination thereof, as the Committee shall determine.

ARTICLE V

Awards

5.1 Grant of Options and Grants.

(a) Grant by Committee. The Committee may grant Options or Grants to Participants from time to time in accordance with this Article V.

(b) Nonqualified Options and Incentive Stock Options. Options granted under the Plan may be nonqualified stock options or "incentive stock options" within the meaning of Section 422 of the Code or any successor provision as specified by the Committee; provided, however, that no incentive stock option may be granted to any Participant who, at the time of grant, owns stock of the Company (or any Subsidiary) representing more than 10% of the total combined voting power of all classes of stock of the Company (or any Subsidiary), unless such incentive stock option shall at the time of grant (a) have a termination date not later than the fifth anniversary of the issuance date and (b) have an exercise price per share equal to at least 110% of the Fair Market Value of a share of Common Stock on the date of grant.

It is the Company's intent that nonqualified stock options granted under the Plan not be classified as incentive stock options, that incentive stock options be consistent with and contain or be deemed to contain all provisions required under Section 422 of the Code and any successor thereto, and that any ambiguities in construction be interpreted in order to effectuate such intent. If an incentive stock option granted under the Plan does not qualify as such for any reason, then to the extent of such nonqualification, the stock option represented thereby shall be regarded as a nonqualified stock option duly granted under the Plan, provided that such stock option otherwise meets the Plan's requirements for nonqualified stock options.

(c) Exercise Price. The exercise price per share of Common Stock under each Option shall be determined by the Committee at the time of grant; provided, however, that the exercise price per share of Common Stock under each incentive stock option shall be fixed by the Committee at the time of grant of the Option and shall equal at least 100% of the Fair Market Value of a share of the relevant class of Common Stock on the date of grant, but not less than the par value per share (as adjusted pursuant to Section 6.4). Subject to Section 5.7, Options shall be exercisable at such time or times as the Committee shall determine; provided, however, that any option intended to be an incentive stock option shall be treated as an incentive stock option only to the extent that the aggregate Fair Market Value of the relevant class of Common Stock (determined as of the date of Option grant) with respect to which incentive stock options (but not nonqualified options) are exercisable for the first time by any Participant during any calendar year (under all stock option plans of the Company and its Subsidiaries) does not exceed \$100,000.

(d) Option or Grant Term. The Committee shall determine the term of each Option and Grant, which term shall not exceed ten years from the date of grant of the Grant or Option (five years in the case of incentive stock options for which the exercise price is 110% of the Fair Market Value of a share of the relevant class of Common Stock on the date of grant, pursuant to Section 5.1(b)).

(e) Maximum Annual Grant to Participant. In any one calendar year, the Committee shall not grant to any one Participant Options to purchase, or Grants of, a number of shares of Class A Common Stock in excess of 704,050 or a number of shares of Class D Common Stock in excess of 1,408,099.

5.2 Exercise Procedure. Options and Grants shall be exercisable, to the extent they are vested, by written notice to the Company (to the attention of the Company's Secretary) accompanied by payment in full of the applicable exercise price.

5.3 Payment Options. Options may be exercised, in whole or in part, upon payment of the exercise price of the Option Shares to be acquired. Payment shall be made: (i) in cash (including check, bank draft or money order); (ii) by delivery of outstanding shares of Common Stock, of the same class for which the Option is to be exercised, with a Fair Market Value on the date of exercise equal to the aggregate exercise price payable with respect to the Options' exercise; (iii) by simultaneous sale through a broker reasonably acceptable to the Committee of Option Shares acquired on exercise, as permitted under Regulation T of the Federal Reserve Board or other method of legally permissible cashless exercise; (iv) by authorizing the Company to withhold from issuance a number of Option Shares issuable upon exercise of the Options which, when multiplied by the Fair Market Value of a share of the relevant class of Common Stock on the date of exercise is equal to the aggregate exercise price payable with respect to the Options so exercised; (v) by any combination of the foregoing; or (vi) in any additional manner the Committee approves. Options may also be exercised upon payment of the exercise price of the Option Shares to be acquired by delivery of the Participant's promissory note, but only to the extent specifically approved by and in accordance with the policies of the Committee.

(a) Exchange of Previously Acquired Stock. In the event a Participant elects to pay the exercise price payable with respect to an Option pursuant to clause (ii) above, (A) only a whole number of share(s) of the relevant class of Common Stock (and not fractional shares of Common Stock) may be tendered in payment, (B) such Participant must present evidence acceptable to the Company that he or she has owned any such shares of the relevant class of Common Stock tendered in payment of the exercise price (and that such tendered

shares of Common Stock have not been subject to any substantial risk of forfeiture) for at least six months prior to the date of exercise, and (C) Common Stock must be delivered to the Company. Delivery for this purpose may, at the election of the Participant, be made either by (A) physical delivery of the certificate(s) for all such shares of the relevant class of Common Stock tendered in payment of the price, accompanied by duly executed instruments of transfer in a form acceptable to the Company, or (B) direction to the Participant's broker to transfer, by book entry, such shares of the relevant class of Common Stock from a brokerage account of the Participant to a brokerage account specified by the Company. When payment of the exercise price is made by delivery of shares of the relevant class of Common Stock, the difference, if any, between the aggregate exercise price payable with respect to the Option being exercised and the Fair Market Value of the share(s) of the relevant class of Common Stock tendered in payment (plus any applicable taxes) shall be paid in cash. No Participant may tender shares of Common Stock having a Fair Market Value exceeding the aggregate exercise price payable with respect to the Option being exercised (plus any applicable taxes).

(b) Payment by Withholding Shares. In the event a Participant elects to pay the exercise price payable with respect to an Option pursuant to clause (iv) above, (A) only a whole number of Option Share(s) (and not fractional Option Shares) may be withheld in payment and (B) such Participant must present evidence acceptable to the Company that he or she has owned a number of shares of the relevant class of Common Stock at least equal to the number of Option Shares to be withheld in payment of the exercise price (and that such owned shares of Common Stock have not been subject to any substantial risk of forfeiture) for at least six months prior to the date of exercise. When payment of the exercise price is made by withholding of Option Shares, the difference, if any, between the aggregate exercise price payable with respect to the Option being exercised and the Fair Market Value of the Option Share(s) withheld in payment (plus any applicable taxes) shall be paid in cash. No Participant may authorize the withholding of Option Shares having a Fair Market Value exceeding the aggregate exercise price payable with respect to the Option being exercised (plus any applicable taxes). Any withheld Option Shares shall no longer be issuable under such Option.

5.4 Grant of Reload Options. The Committee may provide (either at the time of grant or exercise of an Option), in its discretion, for the grant to a Participant who exercises all or any portion of an Option ("Exercised Options") and who pays all or part of such exercise price with shares of Common Stock, of an additional option (a "Reload Option") for a number of shares of Common Stock, of the same class as those shares used to pay all or part of the exercise price, equal to the sum (the "Reload Number") of the number of shares of Common Stock tendered or withheld in payment of such exercise price for the Exercised Options plus, if so provided by the Committee, the number of shares of Common Stock, if any, tendered or withheld by the Participant or withheld by the Company in connection with the exercise of the Exercised Options to satisfy any federal, state or local tax withholding requirements. The terms of each Reload Option, including the date of its expiration and the terms and conditions of its exercisability and transferability, shall be the same as the terms of the Exercised Option to which it relates, except that: (i) the grant date for each Reload Option shall be the date of exercise of the Exercised Option to which it relates and (ii) the exercise price for each Reload Option shall be the Fair Market Value of the Common Stock on the grant date of the Reload Option.

5.5 Withholding Tax Requirements.

(a) Participant Election. Unless otherwise determined by the Committee, a Participant may elect to deliver shares of the relevant class of Common Stock (or have the Company withhold shares acquired upon exercise of an Option or Grant) to satisfy, in whole or in part, the amount the Company is required to withhold for taxes in connection with the exercise of an Option or a Grant. Such election must be made on or before the date the amount of tax to be withheld is determined. Once made, the election shall be irrevocable. The fair market value of the shares to be withheld or delivered will be the Fair Market Value as of the date the amount of tax to be withheld is determined. In the event a Participant elects to deliver or have the Company withhold shares of Common Stock pursuant to this Section 5.5(a), such delivery or withholding must be made subject to the conditions and pursuant to the procedures set forth in Section 5.3 with respect to the delivery or withholding of Common Stock in payment of the exercise price of Options.

(b) Company Requirement. The Company may require, as a condition to any grant or exercise under the Plan or to the delivery of certificates for Shares issued hereunder, that the Participant make provision for the payment to the Company, either pursuant to Section 5.5(a) or this Section 5.5(b), of any federal, state or local taxes of any kind required by law to be withheld with respect to any grant or any delivery of Option Shares or Grant Shares. The Company, to the extent permitted or required by law, shall have the right to deduct from any payment of any kind (including salary or bonus) otherwise due to a Participant, an amount equal to any federal, state or local taxes of any kind required by law to be withheld with respect to any grant or to the delivery of Option Shares or Grant Shares under the Plan. The Company may, in its discretion and to the extent specifically approved by and in accordance with the policies of the Committee, permit payment of such federal, state or local taxes to be made by delivery by a Participant to the Company of a promissory note of such Participant.

5.6 Notification of Inquiries and Agreements. Each Participant and each Permitted Transferee shall notify the Company in writing within 10 days after the date such Participant or Permitted Transferee (i) first obtains knowledge of any Internal Revenue Service inquiry, audit, assertion, determination, investigation, or question relating in any manner to the value of Options or Grants granted hereunder; (ii) includes or agrees (including, without limitation, in any settlement, closing or other similar agreement) to include in gross income with respect to any Option or Grant granted under this Plan (A) any amount in excess of the amount reported on Form 1099 or Form W-2 to such Participant by the Company, or (B) if no such Form was received, any amount; and/or (iii) exercises, sells, disposes of, or otherwise transfers an Option or Grant acquired pursuant to this Plan. Upon request, a Participant or Permitted Transferee shall provide to the Company any information or document relating to any event described in the preceding sentence which the Company (in its sole discretion) requires in order to calculate and substantiate any change in the Company's tax liability as a result of such event.

5.7 Conditions and Limitations on Exercise. At the discretion of the Committee, exercised at the time of grant, Options and Grants may vest, in one or more installments, upon (i) the fulfillment of certain conditions, (ii) the passage of a specified period of time, (iii) the occurrence of certain events and/or (iv) the achievement by the Company or any Subsidiary of certain performance goals. Except as otherwise provided by the Committee, Options shall not vest for a period of at least six months following the date of grant of such Options. In the event of a Change of Control, the Committee may provide, in its discretion, that the Options and Grants shall become immediately vested and that such Options and Grants shall terminate if not exercised as of the date of the Change of Control or any other designated date (the "Designated Date") or that such Options shall thereafter represent only the right to receive the excess of the consideration per share of Common Stock offered in such Change of Control over the exercise price of such Options. The Company shall give all Participants notice of an impending Change of Control at least 15 days prior to the date of such Change of Control or the Designated Date, whichever is earlier.

5.8 Expiration of Options and Grants.

(a) Normal Expiration. In no event shall any part of any Option or Grant be exercisable after the stated date of expiration thereof.

(b) Early Expiration Upon Termination of Employment. Any part of any Option or Grant that was not vested on a Participant's Termination Date shall expire and be forfeited on such date, and any part of any Option or Grant that was vested on the Termination Date shall also expire and be forfeited to the extent not theretofore exercised on the thirtieth (30th) day (one year, if termination is caused by the Participant's death or disability) following the Termination Date or such longer period following the Termination Date to the extent specifically approved by and in accordance with the policies of the Committee, but in no event after the stated date of expiration thereof.

ARTICLE VI

General Provisions

6.1 Written Agreement. Each Option and Grant granted hereunder shall be embodied in a written agreement (the "Option Agreement" or "Grant Agreement") which shall be signed by the Participant to whom the Option or Grant is granted and shall be subject to the terms and conditions set forth herein. Unless otherwise expressly stated herein, inconsistencies between such Option Agreement or Grant Agreement and this Plan shall be resolved in accordance with the terms of this Plan.

6.2 Listing, Registration and Legal Compliance. If at any time the Committee determines, in its discretion, that the listing, registration or qualification of the shares subject to Options or Grants upon any securities exchange or under any state or federal securities or other law or regulation, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition to or in connection with the granting of Options or Grants or the purchase or issuance of shares thereunder, no Options or Grants may be granted or exercised, in whole or in part, unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Committee. The holders of such Options or Grants will supply the Company with such certificates, representations and information as the Company shall request and shall otherwise cooperate with the Company in obtaining such listing, registration, qualification, consent or approval. In the case of officers and other persons subject to Section 16(b) of the Exchange Act, the Committee may at any time impose any limitations upon the exercise of Options or Grants that, in the Committee's discretion, are necessary or desirable in order to comply with such Section 16(b) and the rules and regulations thereunder. If the Company, as part of an offering of securities or otherwise, finds it desirable because of federal or state regulatory requirements to reduce the period during which any Options or Grants may be exercised, the Committee may, in its discretion and without the Participant's consent, so reduce such period on not less than 15 days' written notice to the holders thereof.

6.3 Options Not Transferrable. Except as otherwise authorized by the Committee, Options and Grants may not be transferred other than by will or the laws of descent and distribution and, during the lifetime of the Participant to whom they were granted, may be exercised only by such Participant (or, if such Participant is incapacitated, by such Participant's legal guardian or legal representative). In the event of the death of a Participant, Options and Grants which are not vested on the date of death shall terminate; exercise of Options or Grants granted hereunder to such Participant, which are vested as of the date of death, may be made only by the executor or administrator of such Participant's estate or the person or persons to whom such Participant's rights under the Options or Grants will pass by will or the laws of descent and distribution.

6.4 Adjustments. In the event of a reorganization, recapitalization, stock dividend or stock split, or combination or other change in the shares of Common Stock, the Committee may, in order to prevent the dilution or enlargement of rights under the Plan or outstanding Options or Grants, adjust (1) the number and type of shares as to which options or restricted stock grants may be granted under the Plan, (2) the number and type of shares covered by outstanding Options or Grants, (3) the exercise prices, if any, specified therein and (4) other provisions of this Plan which specify a number of shares, all as the Committee determines to be appropriate and equitable.

6.5 Rights of Participants. Nothing in the Plan shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment at any time (with or without cause), or confer upon any Participant any right to continue in the employ of the Company or any Subsidiary for any period of time or to continue to receive such Participant's current (or other) rate of compensation. No employee shall have a right to be selected as a Participant or, having been so selected, to be selected again as a Participant.

6.6 Amendment, Suspension and Termination of Plan. The Board or the Committee may suspend or terminate the Plan or any portion thereof at any time and may amend it from time to time in such respects as

the Board or the Committee may deem advisable; provided, however, that no such amendment shall be made without shareholder approval to the extent such approval is required by law, agreement or the rules of any exchange upon which the Common Stock is listed, and no such amendment, suspension or termination shall impair the rights of Participants under outstanding Options or Grants without the consent of the Participants affected thereby, except as provided below. No Options or Grants shall be granted hereunder after the tenth anniversary of the adoption of the Plan.

6.7 Amendment of Outstanding Options and Grants. The Committee may amend or modify any Option or Grant in any manner to the extent that the Committee would have had the authority under the Plan initially to grant such Option or Grant; provided that, except as expressly contemplated elsewhere herein or in any agreement evidencing such Option or Grant, no such amendment or modification shall impair the rights of any Participant under any outstanding Option or Grant without the consent of such Participant.

6.8 Governing Law. The validity, construction, interpretation, administration and effect of the Plan, and of its rules and regulations, and rights relating to the Plan, shall be governed by the substantive laws, but not the choice of law rules, of Delaware.
