Class D Common Stock, par value \$.001 per share (Title of Class) Item 1. Description of Registrant's Securities to be Registered:

The class of securities to be registered hereby is the Class D Common Stock, par value \$.001 per share ("Class D Non-Voting Common Stock"), of Radio One, Inc., a corporation established under the laws of the State of Delaware (the "Company"). The Class D Non-Voting Common Stock was authorized by the stockholders of the Company for various general corporate purposes, including, without limitation, stock splits and stock dividends, raising capital in order to finance, among other possible uses, certain pending acquisitions, providing equity incentives to employees, directors or consultants, conducting equity financings, and expanding the Company's business by using its capital stock as currency to acquire other businesses or the assets of other businesses, if appropriate opportunities arise.

The Board of Directors of the Company has declared a dividend ("Dividend") of two (2) shares of Class D Non-Voting Common Stock with respect to each share of every other class of Common Stock of the Company, including the Company's Class A Common Stock, par value \$.001 per share, which is currently traded on the Nasdaq Stock Market's National Market. The Class D Non-Voting Common Stock is non-voting and is not convertible into shares of any other class of the Company's securities and thus will not dilute the voting power of any other class of stock. Except for the absence of voting and conversion rights, the holders of Class D Non-Voting Common Stock will be entitled to the same rights, privileges, benefits and notices as the holders of all other classes of Common Stock.
