Item 4. Description of Securities.

Not applicable (the Company's Class D Common Stock is registered under Section 12 of the Exchange Act).

Item 5. Interests of Named Experts and Counsel.

The opinion of counsel as to the legality of the securities that may be issued under the A/R 2009 Plan is given by C. Kristopher Simpson, Vice President and Senior Associate General Counsel, for Urban One, Inc. Mr. Simpson is employed by the Company and has been awarded shares under the A/R 2009 Plan.

Item 6. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of the State of Delaware (the “DGCL”) provides generally that a person sued (other than in a derivative suit) as a director, officer, employee or agent of a corporation may be indemnified by the corporation for reasonable expenses, including counsel fees, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the person’s conduct was unlawful. In the case of a derivative suit, a director, officer, employee or agent of the corporation may be indemnified by the corporation for reasonable expenses, including attorneys’ fees, if the person has acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in the case of a derivative suit in respect of any claim as to which such director, officer, employee or agent has been adjudged to be liable to the corporation unless the Delaware Court of Chancery or the court in which such action or suit was brought shall determine that such person is fairly and reasonably entitled to indemnity for proper expenses. Indemnification is mandatory under section 145 of the DGCL in the case of a director or officer who is successful on the merits in defense of a suit against him.

The Company’s Amended and Restated Certificate of Incorporation provides that the Company shall indemnify (including indemnification for expenses incurred in defending or otherwise participating in any proceeding) its directors and officers to the fullest extent authorized or permitted by the DGCL, as it may be amended, and that such right to indemnification shall continue as to a person who has ceased to be a director or officer of the Company and shall inure to the benefit of his or her heirs, executors and administrators except that such right shall not apply to proceedings initiated by such indemnified person unless it is a successful proceeding to enforce indemnification or such proceeding was authorized or consented to by the board of directors. Urban One’s certificate of incorporation also specifically provides for the elimination of the personal liability of a director to the corporation and its stockholders for monetary damages for breach of fiduciary duty as director. The provision is limited to monetary damages, applies only to a director’s actions while acting within his or her capacity as a director, and does not entitle the Company to limit director liability for any judgment resulting from (a) any breach of the director’s duty of loyalty to the Company or its stockholders; (b) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law; (c) paying an illegal dividend or approving an illegal stock repurchase; or (d) any transaction from which the director derived an improper benefit.

The Company’s Amended and Restated Bylaws incorporate substantially the provisions of the DGCL in providing for indemnification of directors and officers against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with any proceeding arising by reason of the fact that such person is or was an officer or director of the Company. In addition, the Company is authorized to indemnify employees and agents of the Company and may enter into indemnification agreements with its directors and officers providing mandatory indemnification to them to the maximum extent permissible under Delaware law.

The Company maintains directors’ and officers’ liability insurance for the benefit of its directors and certain of its officers.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company under the foregoing provisions, or otherwise, the Company understands that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

Unless otherwise indicated below as being incorporated by reference to another filing of the Company with the Commission, each of the following exhibits is filed herewith:

Exhibit Number	Description of Exhibit
4.1	Amended and Restated 2009 Stock Option and Restricted Stock Plan (incorporated by reference from the Registrant’s Definitive Proxy Statement on Schedule 14A filed with the Commission on October 3, 2013.)

23.3	Consent of C. Kristopher Simpson, Associate General Counsel (included in Exhibit 5.1).
24.1	Power of Attorney (included on the signature page).

Item 9. Undertakings.

(1) The undersigned Company hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that paragraphs (1)(a)(i) and (1)(a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(2) The undersigned Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-8 for Shares of Class D Common Stock Issuable Under Urban One, Inc. 2009 Stock Option and Restricted Stock Plan

Ladies and Gentlemen:

I am Vice President and Senior Associate General Counsel of Urban One, Inc., a Delaware corporation (the "Company"), and I have acted as counsel in connection with the Registration Statement on Form S-8 (the "Registration Statement") with respect to the registration under the Securities Act of 1933, as amended, of a total of 7,000,000 shares (the "Shares") of the Company's Class D Common Stock, par value \$0.001 per share (the "Class D Common Stock"), issuable from time to time pursuant to awards granted under the Urban One, Inc. 2009 Stock Option and Restricted Stock Plan (the "Plan").

In connection therewith, I, or attorneys under my direction, have examined, and relied upon the accuracy of factual matters contained in, the Plan and such other agreements, documents, corporate records and instruments as I have deemed necessary for the purposes of the opinion expressed below. In giving this opinion, I am assuming that the Shares will continue to be duly and validly authorized on the dates that the Shares are issued to participants pursuant to the terms of the Plan, and, upon the issuance of any of the Shares, the total number of shares of Class D Common Stock issued and outstanding, after giving effect to such issuance of such Shares, will not exceed the total number of shares of Class D Common Stock that the Company is then authorized to issue under its articles of incorporation.

Based upon the foregoing, I am of the opinion that the Shares, when issued pursuant to awards granted in accordance with the terms of the Plan and in the manner contemplated by the Plan, will be legally issued, fully paid and non-assessable.

This opinion is limited to the matters expressly stated herein. No implied opinion may be inferred to extend this opinion beyond the matters expressly stated herein. I do not undertake to advise you of any changes in the opinion expressed herein resulting from changes in law, changes in facts or any other matters that might occur or be brought to my attention after the date hereof. In addition, I consent to the attachment of this opinion to the Registration Statement and further consent to the use of my name wherever it may appear in the Registration Statement, including any prospectus constituting a part thereof, and any amendments thereto.

Very truly yours,

/s/ C. Kristopher Simpson
